

# Town of Northwood

2016 Annual Report

---

# *Dedication*

*Reflections of Northwood*, Photo by Alyssa Hill

The Northwood Board of Selectmen, on behalf of its citizens, dedicate this year's annual report to the Coe-Brown Northwood Academy and Northwood School students who have submitted photographs, drawings and paintings for inclusion in the annual report. For the past 20 years, the town and schools have worked together to provide a forum for students to showcase their art on the report cover and inside pages. We personally thank each student who has contributed their time and talent by submitting their art for consideration. In dedicating this report, we also acknowledge that through your creative efforts you have inspired us and added much interest to the pages of our reports, year after year.

*"Creativity is contagious, pass it on" – Albert Einstein*

## **Minutes of the Deliberative Session for Town of Northwood 2016 Town Meeting February 6, 2016**

Moderator Hal Kreider called the meeting to order at 9:08 am asking to recognize the veterans in attendance, and then asking Michael Smith to lead in the pledge of allegiance. He then went on to introduce Selectmen Bryer, Jandebaur and Wolf, Walter Mitchell, town counsel, Sandy Garrett, Finance Administrator, Joe Gunter, Town Administrator, Town Clerk Judy Pease and Deputy Sharon Olsson.

He went on to explain that this session would consist of explanation, discussion and deliberation of the Warrant Articles numbered Two (2) through Twenty Seven (27), and that the Warrant Articles could be amended subject to the following limitations: (a) Warrant Articles whose wording is prescribed by law shall not be amended, and (b) Warrant Articles that are amended shall be placed on the official ballot for a final vote on the main motion as amended.

He asked for a motion to allow Chief Glendon Drolet and Attorney Walter Mitchell speak as required, even though they were not Northwood residents. By a voice vote it was decided to allow them to speak. He also announced that there was food in the back of the room that had been prepared by Coe-Brown students, and that those in attendance should feel free to help themselves.

He stated that he would present the articles but would not be reading them in their entirety.

He noted that the Voting Session to act on all Warrant Articles, as amended, including the proposed budget, as a result of the action of the "*First Session*" would be held at the Parish Center at St. Joseph's Church, 844 First NH Turnpike, in said Northwood on Tuesday, March 8, 2016, and that the polls would be open from 7:00 AM to 7:00 PM.

### **Article 2: FIRE APPARATUS LEASE/PURCHASE**

Selectman Scott Bryer moved and Selectman Tim Jandebaur seconded to see if the town would raise and appropriate the sum of **fifty six thousand, nine hundred twelve dollars (\$56,912)** for the second of five yearly payments for the lease/purchase of the new pumper truck, and to fund the payment by withdrawing the sum of **fifty six thousand, nine hundred twelve dollars (\$56,912)** from the Fire/Rescue Vehicle Replacement Special Revenue Fund. This lease agreement was approved at the 2015 Town Meeting and does not contain an escape clause. **(No Tax impact) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

With no discussion, and by a show of cards, it was voted to place the article on the ballot as written.

### **Article 3: 2016 OPERATING BUDGET**

Ginger Dole moved and Ginny Rogers seconded to see if the Town would raise and appropriate as an operating budget, not including appropriations by special warrant

## **Minutes of the Deliberative Session for Town of Northwood 2016 Town Meeting February 6, 2016**

articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **three million, five hundred twelve thousand, ninety-three dollars (\$3,512,093.00)**. Should this article be defeated, the default budget shall be **three million, four hundred ninety-three thousand, thirty-six dollars (\$3,493,036.00)**, which is the same as last year, with certain adjustments required by previous action of the town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. **(Tax impact \$0.14) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

Ms. Dole explained that as Chairman of the Budget Committee, she felt the Board of Selectmen had done an excellent job of preparing the budget. Selectman Jandebour went on to explain that the budget was quite straight forward and that there was an item for surveying in the amount of \$6,000 for surveying of property lines in question as to whether they were Town owned. He stated as an example the property line of the Transfer Station. It was discovered by a survey that the property line was wrong, and that a testing well for the lagoon was actually on the abutter's property. He then noted that there were dead trees on the property at Town Hall, but because of the question of the property line, a survey would need to be taken to see if they were actually on Town Property and could be removed by the Town. With no further discussion and by a show of cards, it was voted to put the article on the ballot as read.

### **Article 4: AMBULANCE PAYMENT**

Selectman Bryer moved and Selectman Jandebour seconded to see if the Town would raise and appropriate the sum of **forty-eight thousand, six hundred seventeen dollars (\$48,617)** for the fourth of five annual payments on a five year lease on Ambulance 1 and to fund this appropriation by authorizing the withdrawal of **forty-eight thousand, six hundred seventeen dollars (\$48,617)** from the Fire/Rescue Vehicle Replacement Special Revenue Fund. This lease agreement was approved at the 2013 Town Meeting and does not contain an escape clause. **(No tax impact) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

With no discussion and by a show of cards, it was voted to place the article on the ballot as read.

### **Article 5: DEFIBRILLATOR PAYMENT**

Selectman Bryer moved and Selectman Jandebour seconded to see if the Town would vote to raise and appropriate the sum of **thirteen thousand, three hundred eighty-four dollars (\$13,384)** for the third of three yearly payments for two defibrillators for the Northwood Fire Department, and to fund this appropriation by authorizing the

## **Minutes of the Deliberative Session for Town of Northwood 2016 Town Meeting February 6, 2016**

withdrawal of said sum from the unexpended fund balance as of December 31, 2015. This lease agreement contains an escape clause. **(No tax impact) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

With no discussion and by a show of cards, it was voted to place the article on the ballot as read.

### **Article 6: HIGHWAY EQUIPMENT CAPITAL RESERVE DEPOSIT**

Selectman Bryer moved and Selectman Jandebour seconded to see if the Town would vote to raise and appropriate the sum of **fifteen thousand dollars (\$15,000)** to be deposited into the previously established Highway Equipment Capital Reserve Fund. **(Tax Impact \$0.03) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

With no discussion and by a show of cards, it was voted to place the article on the ballot as read.

### **Article 7: DEPOSIT TO THE TOWN HALL IMPROVEMENT CAPITAL RESERVE FUND**

Selectman Bryer moved and Selectman Rick Wolf seconded to see if the Town would vote to raise and appropriate the sum of **twenty thousand dollars (\$20,000)** to be deposited into the previously established Town Hall Improvement Capital Reserve Fund. **(Tax Impact: \$0.04) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

Selectman Jandebour explained that this amount was needed to finish the HVAC system at Town Hall. He stated that the system had gone out to bid for the third time, including the electrical work required. He went on to say that currently there are several space heaters and individual air conditioners in Town Hall that would be eliminated with this project, which would result in a considerable energy cost reduction. With no further discussion it was voted to place the article on the ballot by a show of cards.

### **Article 8: ROAD CONSTRUCTION/RESURFACING**

Selectman Bryer moved and Selectman Jandebour seconded to see if the Town would vote to raise and appropriate the sum of **one hundred thousand dollars (\$100,000)** to be used for the construction, reconstruction, and/or resurfacing of town roads, and the refurbishing of ditches and culverts as recommended by the Highway Advisory Committee. **(Tax Impact: \$0.22) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

## **Minutes of the Deliberative Session for Town of Northwood 2016 Town Meeting February 6, 2016**

Selectman Jandebaur explained that going forward the aim was to do road work correctly. He explained that Lucas Pond Road has been redone by the contractor, by grinding, putting in a new base and then a finish coat. He stated that Old Mountain Road and Bow Lake Road only had the base coat. He stated that the quote to finish Bow Lake Road was \$172,000. Alex Correa asked how long roads done correctly were estimated to last and when a road is not done properly, who was responsible for paying to correct it. Selectman Jandebaur responded that the estimate was 15-20 years with proper maintenance, which in the past had not been done. He stated as an example, Sherburne Hill Road. If the small trees had been removed in the right-of-way, it would not be in the condition it was now. He added that Town Administrator Gunter was looking into grants to assist in this area. Joe McCaffrey stated his support of this article. Jim Vaillancourt stated that as a budget committee member he had no recollection of hearing about any \$172,000 to fix Bow Lake Road, and asked where that money would be coming from. Selectman Jandebaur stated it would come out of the Highway operating budget and the balance from the Highway Grant. Tom Chase asked whether the Highway Grant money has been historically going up or down, and whether our State Representatives have been asked about increasing our money. Selectman Bryer stated that 12% of money collected by road tolls, registration fees and fuel tax goes back to the towns by way of Block Grants. Mr. McCaffrey asked how much money we turn into the State for registration fees. Selectman Jandebaur stated that our Representative, Bruce Hodgdon, was very knowledgeable and has been keeping on top of Grant money. Mr. McCaffrey asked again about the money going to the State, and was advised that the Town fees collected on registrations remains in the Town, and only the State fees go to the State. That figure was not immediately available but he was informed that it would be obtained and he would be advised.

With no further discussion, it was voted by a show of hands to place the article on the ballot as read.

### **Article 9: LAGOON MAINTENANCE AND REPAIR EXPENDABLE TRUST FUND**

Selectman Bryer moved and Selectman Jandebaur seconded to see if the Town would vote to raise and appropriate the sum of **sixteen thousand, seven hundred fifty dollars (\$16,750)**, to be placed in the Lagoon Maintenance and Repair Expendable Trust Fund and to fund this appropriation by authorizing the withdrawal of that amount from the Lagoon Special Revenue Fund held by the Northwood Treasurer. **(No tax impact) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by Budget Committee 11/0)**

With no discussion and by a show of cards, it was voted to place the article on the ballot as written.

## **Minutes of the Deliberative Session for Town of Northwood 2016 Town Meeting February 6, 2016**

### **Article 10: APPOINTING AGENTS TO EXPEND**

Selectman Bryer moved and Selectman Jandebaur seconded to see if the Town would vote to appoint the Selectmen as agents to expend from the Aquatic Invasive Species Treatment and Control Expendable Trust previously established in 2015. **(No Tax Impact) (Majority vote required) (Recommended by the Board of Selectmen 3/0)**

With no discussion and by a show of cards, it was voted to place the article on the ballot as written.

### **Article 11: FACILITIES COMMITTEE EXPENDABLE TRUST**

Selectman Bryer moved and Selectman Jandebaur seconded to see if the Town would vote to raise and appropriate the sum of **thirteen thousand dollars (\$13,000)** to be deposited into the Facilities Committee Expendable Trust Fund previously established for the maintenance, improvement, repairs and replacement of general government buildings. **(Tax Impact: \$0.03) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

Selectman Jandebaur commented that he had met with several individuals who commented that they were very impressed with the appearance of the Community Center. He stated that the upstairs floor had been redone. He also remarked that inmates, under the observation of a correctional officer, had been used to clean-up and do some maintenance of Town buildings. They had cleaned up the property on Olde Canterbury Road, worked on the Narrows Fire Station and Town Hall. They plan on continuing with the plan, noting that \$18,200 had been saved in the 2/3<sup>rd</sup> of the year the inmates had been used.

With no further discussion, and by a show of cards, it was voted to place the article on the ballot as written.

### **Article 12: TRANSFER STATION EXPENDABLE TRUST DEPOSIT**

Selectman Bryer moved and Selectman Jandebaur seconded to see if the Town would vote to raise and appropriate the sum of **twelve thousand, four hundred eighty-four dollars (\$12,484)**, to be placed in the existing Transfer Station Expendable Trust Fund previously established for the purpose of purchasing transfer station equipment and repairing and maintaining the transfer station buildings and to fund this appropriation by authorizing the transfer of that amount from the unreserved fund balance as of December 31, 2015. This amount is the equivalent of the amount received from the sale of recyclable materials in 2015. **(No Tax Impact) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 12/0)**

## **Minutes of the Deliberative Session for Town of Northwood 2016 Town Meeting February 6, 2016**

Selectman Jandebaur commented that he and the Recycling Committee had been actively working on a plan to improve the recycling, but that currently the values of recyclables are down, whether it was Lamberts or Hardings.

No further discussion followed so by a show of cards it was voted to place the article on the ballot as written.

### **Article 13: AQUATIC INVASIVE SPECIES TREATMENT AND CONTROL EXPENDABLE TRUST FUND**

Selectman Bryer moved and Selectman Jandebaur seconded to see if the Town would vote to raise and appropriate the sum of **eight thousand dollars (\$8,000)** to be deposited into the previously established Aquatic Invasive Species Treatment and Control Expendable Trust Fund. **(Tax Impact: \$0.02) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0) amend to 10,000.**

Helen Ash commented that her husband was the President of the Northwood Lake Watershed Association and that she had distributed a flyer showing facts about the Association. She stated that milfoil had been discovered in 1990 and the Association was organized in 1992 to try to do something about it. Currently, Northwood Lake was the only lake in the area affected, and that the other two towns that border Northwood lake had passed articles supporting the Association's work. She estimated the cost to treat in 2016 will be \$52,400. Therefore, she asked to make an amendment to the amount of this article.

Ms. Ash moved, and Selectman Jandebaur seconded to increase the amount from \$8,000 to \$10,000. Selectman Jandebaur noted that property assessments on Northwood Lake went up this past year and that he supported this increase. Joe McCaffrey expressed his support as well. Tom Chase commented that he was acutely aware of the issue, and that Jenness Pond was not currently affected by milfoil and that the Selectmen should communicate with the State Reps to get funds along with local funds. Brad Hall stated that the State already supports and that in 2016 it was at a 40% level. The amendment passed, and then the article was passed to place on the ballot as amended.

### **Article 14: BENEFIT PAY VESTED TIME EXPENDABLE TRUST FUND**

Selectman Bryer moved and Selectman Jandebaur seconded to see if the Town would vote to raise and appropriate the sum of **fifteen thousand dollars (\$15,000)** to be added to the Benefit Vested Time Expendable Trust Fund previously established. **(Tax Impact: \$0.03) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

## **Minutes of the Deliberative Session for Town of Northwood 2016 Town Meeting February 6, 2016**

Mr. Vaillancourt mentioned that according to the Trustee of Trust Funds report, there was \$46,000 in the Fund already. He asked if the Board of Selectmen had a plan as to the percent of that amount that would be used. He asked if there was an analysis of possible retirees that shows the amount needed? Administrator Gunter stated that in 2 years, the expected amount was \$15,000 and \$30,000 in 4 years. With no further discussion, the article was voted by a show of cards to place on the ballot as written.

### **Article 15: CABLE EXPENDABLE TRUST FUND**

Selectman Bryer moved and Selectman Wolf seconded to see if the Town would vote to raise and appropriate the sum of **thirty five thousand, eight hundred twenty-two dollars (\$35,822)**, to be deposited into the previously established Cable Expendable Trust Fund and to fund this appropriation by authorizing the transfer of that amount from the unreserved fund balance as of December 31, 2015. This amount is equivalent to the amount received as cable TV franchise fees in the year 2015. **(No Tax Impact) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by Budget Committee 12/0)**

There was no discussion, so with a show of cards, the article passed to be placed on the ballot as written.

### **Article 16: CEMETERY IMPROVEMENT EXPENDABLE TRUST FUND**

Selectman Bryer moved and Ms. Garrett seconded to see if the Town would vote to raise and appropriate the sum of **three hundred dollars (\$300)** to be deposited into the previously established Cemetery Improvement Expendable Trust Fund and to fund this appropriation by authorizing the transfer of that amount from the unreserved fund balance as of December 31, 2015. This amount is the equivalent of the amount received from the sale of cemetery lots in 2015. **(No Tax Impact) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 12/0)**

Mary Faiella asked what this money was used for. Ms. Garrett stated there was \$310,242.00. Steve Bailey stated they only used the interest from the Fund. Selectman Jandebour commented that if the situation ever comes up when the Town needs another cemetery, they would be able to use the money from this account to buy another piece of land. With no further discussion, and by a show of cards, the article passed to be placed on the ballot as written.

### **Article 17: APPOINTMENT OF TOWN HIGHWAY (ROAD) AGENT**

Selectman Bryer moved and Selectman Jandebour seconded to see if the Town would authorize the selectmen to appoint the town highway (road) agent in accordance with RSA 231:62, rather than electing a highway agent. If approved, the elected highway (road) agent would continue to hold office until the March, 2017 town meeting, at which

## **Minutes of the Deliberative Session for Town of Northwood 2016 Town Meeting February 6, 2016**

time the elected office shall terminate. **(No Tax Impact) (Majority vote required)  
(Recommended by the Board of Selectmen 2/1)**

Selectman Jandebaur commented that the Board would like to see an appointed Road Agent, combined with a working position, similar to that of other Towns. He noted Deerfield has one with a salary of \$54,000. Michael Faiella asked if the Board had ever considered privatizing the department. Selectman Jandebaur stated that several Towns have done that, including Candia and Strafford. He said the Board was hoping the Highway Advisory Committee would be looking at all possibilities. Selectman Wolf stated he was against this and voted no on it. He said he wanted it to remain elected so as not to take the choice away from the residents. Mr. McCaffrey stated his support. Selectman Jandebaur that the current position of Road Agent had 2 years remaining in its term, and that if this article passed, at the end of those 2 years the Board planned to have a combined position. Administrator Gunter said other towns work it out to see the best way for the town to go.

With no further discussion, and by a show of cards, the article passed as written to be placed on the ballot.

### **Article 18: NORTHWOOD'S 250TH ANNIVERSARY EXPENDABLE TRUST**

Ms. Garrett moved and Selectman Jandebaur seconded to see if the Town would vote to raise and appropriate the sum of **five hundred dollars (\$500)** to be deposited into the 250th Anniversary Expendable Trust fund to support efforts to recognize the town's 250th anniversary. **(Tax Impact: Less than \$0.01) (Majority vote required)  
(Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 10/0)**

Selectman Jandebaur stated that the 250<sup>th</sup> Anniversary Committee would be looking at what amount would be required to have an appropriate celebration for our 250<sup>th</sup> anniversary. Then they would have a better idea to be able to fund that celebration. With no further discussion, it was voted by show of cards, to place the article on the ballot as written.

### **Article 19: APPOINTING AGENTS TO EXPEND**

Selectman Bryer moved and Ms. Garrett seconded to see if the Town would vote to appoint the selectmen as agents to expend from the Recreation Facility Capital Reserve Fund, previously established in 1998. **(No Tax Impact) (Majority vote required)  
(Recommended by the Board of Selectmen 3/0)**

There was no discussion, so with a show of cards, the article passed to be put on the ballot as written.

## **Minutes of the Deliberative Session for Town of Northwood 2016 Town Meeting February 6, 2016**

### **Article 20: TOWN OF NORTHWOOD ELECTRONIC SIGN PURCHASE**

Betty Smith moved and Ginger Dole seconded to see if the Town would vote to raise and appropriate the sum of **twenty-four thousand, two hundred fifty dollars (\$24,250)** to be used for the purchase and installation of an electronic sign in front of town hall. **(Tax Impact \$0.05) (Majority vote required) (Recommended by the Board of Selectmen 2/1) (Recommended by the Budget Committee 9/2)**

Selectman Jandebaur stated the Board had always wanted to have a way to let people know things going on. This would be a one time purchase, similar to the one at the Library. No further discussion followed, so with a show of cards it was approved to put the article on the ballot as written.

### **Article 21: EROSION CONTROL AND RECONSTRUCTION FOR MARY WALDRON BEACH AND BOAT RAMP**

Selectman Bryer moved and Selectman Wolf seconded to see if the Town would vote to raise and appropriate the sum of **sixty one thousand sixty dollars (\$61,060)** to be used to repair and rebuild the boat ramp and beach at Mary Waldron Beach. **(Tax Impact \$0.13) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 12/0)**

Administrator Gunter commented that the erosion is stripping the sand into the lake. The plan is to have retaining walls and concrete slabs installed to solve the problem. Fred Borman stated he was not opposed to the article, but that parking is very limited and lots of vehicles there do not have stickers on them. Ms. Dole asked when the survey was completed in order to apply for the wetlands permit. Selectman Jandebaur stated that the survey had not been done yet but that the money for the survey was in this article. He said the most important thing was to complete the Bow Lake Road to keep the water from washing into the beach. Then this work could be completed. Mr. Chase commented that by improving the boat ramp, the chance of getting milfoil in Bow Lake would be increased. He stated they should consider a lake host for this area, or restricting the use of the ramp to non-motorized watercraft. Chief Drolet asked if any consideration had been given to the safety aspect of this project, because of the increase in people as well as trucks and trailers launching boats.

After more discussion, Ms. Smith asked to move the question. By a show of cards of 2/3 of the attendants, the question was voted on and passed to be placed on the ballot as written.

### **Article 22: CREATE A RED LISTED BRIDGE CAPITAL RESERVE FUND**

Selectman Bryer moved and Selectman Jandebaur seconded to see if the Town would vote to establish a Red Listed Bridge Capital Reserve Fund per RSA 35:1, for the repair and replacement of red listed bridges and to raise and appropriate **eighty four**

## **Minutes of the Deliberative Session for Town of Northwood 2016 Town Meeting February 6, 2016**

**thousand dollars (\$84,000) to deposit into the fund. Further to name the selectmen as agents to expend from this fund. (Tax Impact \$0.18) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

Selectman Jandebaur started by saying that four years ago the State gave the Town seven years to fix the bridge on Bow Lake Road. They said if it was not fixed in that time, the bridge should be closed. The estimated price to fix the bridge is \$250,000, so by depositing \$84,000 each of the next 3 years, they would have enough money to cover the replacement cost. He noted that once a bridge is red listed, 80% of the cost would be reimbursed, but that could take up to 7 or 8 years.

Mr. Correa asked for the audience's support as he lives near the bridge and by using it he travels 1-1/2 miles to Route 4, but if it was closed, his trip would increase to 13.8 miles through Strafford. Mr. Chase asked why had they waited for four years before getting started on the work? Selectman Jandebaur stated the current Board had started working on it as soon as they knew about it. He stated that if this article didn't pass this year, they could go for a bond issue next year. If that failed, then on the third year, the entire highway budget would have to be used to fix it. Mr. Vaillancourt had asked why there was not any line items in the budget to cover things like this and Selectman Bryer stated that with SB-2, if the line item kept the budget from passing, it would hurt the remainder of the budget, so they felt it better to bring in to the residents by an individual warrant article. Mr. Correa stated it was a safety concern for fire/rescue and police.

With no further discussion, by a show of cards the article passed to be put on the ballot as written.

At this point, Ms. Dole moved to take a 10-minute break. Motion was seconded. By voice vote, the motion passed.

### **Article 23: ADOPTION OF RSA 162-K FOR MUNICIPAL ECONOMIC DEVELOPMENT AND REVITALIZATION DISTRICTS**

Selectman Bryer moved and Selectman Jandebaur seconded to see if the Town would vote to adopt RSA 162-K. Adoption of this RSA would allow the town to create development and revitalization districts. **(No Tax Impact) (Majority vote required) (Recommended by the Board of Selectmen 3/0)**

Administrator Gunter explained the article stating that this would allow the districts to keep the tax money in Town, not distributing it to county, state or SAU. The Moderator stated that by passing this article the only thing accomplished was that the Town would have the ability to create districts. Selectman Bryer suggested "Google" tax increment financing for examples of what this would be. After more discussion, it was voted by a show of cards to be placed on the ballot as written.

## **Minutes of the Deliberative Session for Town of Northwood 2016 Town Meeting February 6, 2016**

### **Article 24: TO ADD TO THE POLICE EQUIPMENT RESERVE FUND**

Selectman Bryer moved and Selectman Jandebaur seconded to see if the Town would vote to raise and appropriate the sum of **twelve thousand dollars (\$12,000)** to be deposited into the previously established Police Equipment Capital Reserve Fund. **(Tax Impact \$0.03) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

Chief Drolet spoke to this article. He explained that this fund was established but nothing had been put in it for awhile. He said they needed to start preparing for equipment replacements. Selectman Jandebaur commented it was a safety net, but hadn't been funded in recent years. Kevin Madison mentioned that this was a capital reserve fund and couldn't be used without a vote at town meeting. Attorney Mitchell confirmed that if the fund was set up that way, it couldn't be used unless by a vote of the town to appoint the Board of Selectmen as Agents to Expend. Mr. Faiella asked if the wording of the article could be changed to make the Selectmen agents, and the Moderator replied it could not. Mr. McCaffrey stated that equipment is being made to last longer so equipment shouldn't need to be replaced as frequently. Sally Aseltine asked what happens if the Chief needs this money this year. Attorney Jandebaur responded that the charge would be taken out of a line in the operating budget. Michael Magoon commented that the description in the Voter's Guide made reference to "expensive" items several times, which might be leading to the public. Ms. Garrett stated that there was 0-book value because of depreciation. She stated that the light bars had a 10-year depreciation value, ours are 15 years old.

With no further discussion, the article was voted by a show of cards to be placed on the ballot as written.

### **Article 25: TO ADD AN ADDITIONAL OFFICER TO THE PAYROLL**

Ms. Dole moved and Ms. Smith seconded to see if the Town would raise and appropriate the sum of **fifty-five thousand, eight hundred eighty-four dollars (\$55,884)** to establish a new full-time position for a patrol officer for the Northwood Police Department. The funds would be expended for wages and applicable benefits for the new position. **(Tax Impact \$.12) (Majority vote required) (Not Recommended by the Board of Selectmen 0/3) (Recommended by the Budget Committee 10/1)**

Chief Drolet had distributed a handout that explained the purpose of this article. He stated that currently the department consists of the Chief, a Detective Sergeant, a Patrol Sergeant, a Corporal (K9 officer), 3 full-time patrol officers, the resource officer at Coe-Brown, and 2 part-time officers. He explained that service calls had increased by 46.5%

since 2010, and that the part-time officers were limited on hours. He went on to explain about overlapping/double coverage issues as well as the Detective Sergeant coverage of

## **Minutes of the Deliberative Session for Town of Northwood 2016 Town Meeting February 6, 2016**

patrol shifts. Mr. Faiella questioned the decrease in calls for service since 2012. Ms. Smith said she was in favor of the article, that she had seen 3 accidents between Harvey Lake Rd and the Library. Mr. McCaffrey stated he didn't see the need for details on town roads. The Chief responded that details last year brought \$38,000 in revenue to the town. Jon Boudreau spoke in favor of the article, stating the Town needs officers when issues arise. Mr. Chase asked if hiring another full time officer, would cut down the overtime and the Chief said yes. Shane Wells stated with his current schedule, he was often times working 58 hours a week.

The Chief noted that there would be a public meeting on this issue on February 25 at 6:00 pm at Coe-Brown, and that it would be recorded.

With no further discussion, the article passed by a showing of cards, to be placed on the ballot as written.

At this point, the Moderator commented that the food available was thanks to the Administrator and his wife and Coe-Brown students. Any funds received would be donated to the 8<sup>th</sup> Grade Class Trip.

### **Article 26: APPOINTING AGENTS TO EXPEND**

Selectman Bryer moved and Selectman Jandebaur seconded to see if the Town would vote to appoint the Selectmen as agents to expend from Town Hall Improvement Capital Reserve Fund, previously established in 2000. **(No Tax Impact) (Majority vote required) (Recommended by the Board of Selectmen 3/0)**

Mary Faiella stated that it appeared to be taking authority away from Town people and giving it to the Selectmen. Selectmen Jandebaur stated this would give the opportunity to spend from this fund if the need came up. Otherwise, it would need to wait until next year or have a special Town Meeting, approved by the Court.

Ms. Garrett explained that this article was set up as a capital reserve fund, but that ordinary customary expenses come up that need to be paid. Selectman Jandebaur referenced the ballfield expenses, numerous smaller expenses that need to be addressed. Selectman Bryer referred to the Recreation Department's revolving fund and the fees for activities with money coming in and the charges for the uniforms and referees money going out.

With no further discussion, it was voted by a show of cards, to place the article on the ballot as written.

### **Article 27: REMOVAL OF THE POLICE COMMISSION**

Selectman Jandebaur moved and it was seconded to see if the government of the police department of the town of Northwood entrusted to a police commission by affirmative

## **Minutes of the Deliberative Session for Town of Northwood 2016 Town Meeting February 6, 2016**

vote on the regular ballot for the election of town officers on March 10<sup>th</sup>, 1987, in accordance with RSA 105-C:2, vote to rescind such action, as provided for in RSA 105 C:7. If the majority of those voting answer the question in the affirmative then the government of the police department would revert back to the Board of Selectmen similar to that of all other towns in "Rockingham County." (**Petition Warrant Article**)

Mr. Chase commented that the article was confusing and that the quotation marks were not properly placed. Selectman Jandebaur stated that the Police Commission was a separate entity, and that one year no raises were given out to Town employees, but the Police Commission chose to give that department raises. The Commission is allowed to sign their own purchase orders and the Selectmen were out of it. Much discussion followed regarding the wording of the article to make it clearer. Selectman Jandebaur made a motion to reword the article and Ms. Smith seconded it.

The Chief commented that there was no cloak of darkness involved with the Commission, nor had Selectman Jandebaur come to him to talk about his concerns. He stated the meetings are public and minutes are available for them. Mr. McCaffrey noted that the Commission meetings are not taped like the Selectmen meetings are. Selectman Bryer stated that he had been a selectman for 17 years and had never threatened to oust a department head. Bob Young said during the time he was selectman, there was the removal of 2 police chiefs and 1 officer in one year. As a previous selectman, he thought the Board should want to reconsider if they really want this. Selectman Bryer reminded Mr. Young that this was not brought forward by the Selectmen, it was a petitioned article.

After more discussion, Attorney Mitchell offered the rewording of the Article as follows: "Shall the Town rescind the action taken at the 1987 Town Meeting establishing a Police Commission so that the authority over the Police Department shall revert back to the Board of Selectmen."

Ms. Smith asked to move the question. By a card vote of 19 in favor and 7 opposed the article was moved and passed by show of cards to be placed on the ballot as amended.

With no other business to come before the meeting, it was moved and seconded to adjourn at 1:27 pm.

Respectfully submitted,

Judy C. Pease, Town Clerk/Tax Collector

### Article 2: FIRE APPARATUS LEASE/PURCHASE

To see if the town will raise and appropriate the sum of **fifty six thousand nine hundred twelve dollars (\$56,912)** for the second of five yearly payments for the lease/purchase of the new pumper truck, and to fund the payment by withdrawing the sum of **fifty six thousand nine hundred twelve dollars (\$56,912)** from the Fire/Rescue Vehicle Replacement Special Revenue Fund. This lease agreement was approved at the 2015 Town Meeting and does not contain an escape clause. **(No Tax impact) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

Yes	550
No	77

### Article 3: 2016 OPERATING BUDGET

Shall the Town raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **three million five hundred twelve thousand ninety-three dollars (\$3,512,093.00)**. Should this article be defeated, the default budget shall be **three million four hundred ninety-three thousand thirty six dollars (\$3,493,036.00)** which is the same as last year, with certain adjustments required by previous action of the town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. **(Tax impact \$0.14) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

Yes	486
No	338

### Article 4: AMBULANCE PAYMENT

To see if the Town will raise and appropriate the sum of **forty-eight thousand six hundred seventeen dollars (\$48,617)** for the fourth of five annual payments on a five year lease on Ambulance 1 and to fund this appropriation by authorizing the withdrawal of **forty-eight thousand six hundred seventeen dollars (\$48,617)** from the Fire/Rescue Vehicle Replacement Special Revenue Fund. This lease agreement was approved at the 2013 Town Meeting and does not contain an escape clause. **(No tax impact) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

Yes	748
No	80

### Article 5: DEFIBRILLATOR PAYMENT

To see if the Town will vote to raise and appropriate the sum of **thirteen thousand three hundred eighty-four dollars (\$13,384)** for the third of three yearly payments for two defibrillators for the Northwood Fire Department, and to fund this appropriation by authorizing the withdrawal of said sum from the unexpended fund balance as of December 31, 2015. This lease agreement contains an escape clause. **(No tax impact) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

Yes	752
No	71

**Article 21: EROSION CONTROL AND RECONSTRUCTION FOR MARY WALDRON BEACH AND BOAT RAMP**

To see if the Town will vote to raise and appropriate the sum of **sixty one thousand sixty dollars (\$61,060)** to be used to repair and rebuild the boat ramp and beach at Mary Waldron Beach. **(Tax Impact \$0.13)**  
**(Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 12/0)**

Yes     351  
No      481

**Article 22: CREATE A RED LISTED BRIDGE CAPITAL RESERVE FUND**

To see if the Town will vote to establish a Red Listed Bridge Capital Reserve Fund per RSA 35:1, for the repair and replacement of red listed bridges and to raise and appropriate **eighty four thousand dollars (\$84,000)** to deposit into the fund. Further to name the selectmen as agents to expend from this fund. **(Tax Impact \$0.18) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

Yes     494  
No      331

**Article 23: ADOPTION OF RSA 162-K FOR MUNICIPAL ECONOMIC DEVELOPMENT AND REVITALIZATION DISTRICTS**

To see if the Town will vote to adopt RSA 162-K. Adoption of this RSA will allow the town to create development and revitalization districts. **(No Tax Impact) (Majority vote required) (Recommended by the Board of Selectmen 3/0)**

Yes     510  
No      305

**Article 24: TO ADD TO THE POLICE EQUIPMENT RESERVE FUND**

To see if the Town shall vote to raise and appropriate the sum of **twelve thousand dollars (\$12,000)** to be deposited into the previously established Police Equipment Capital Reserve Fund. **(Tax Impact \$0.03)**  
**(Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

Yes     481  
No      358

**Article 25: TO ADD AN ADDITIONAL OFFICER TO THE PAYROLL**

To see if the Town will raise and appropriate the sum of **fifty-five thousand eight hundred eighty-four dollars (\$55,884)** to establish a new full-time position for a patrol officer for the Northwood Police Department. The funds to be expended for wages and applicable benefits for the new position. **(Tax Impact \$.12) (Majority vote required) (Not Recommended by the Board of Selectmen 0/3)**  
**(Recommended by the Budget Committee 10/1)**

Yes     214  
No      607

## Board of Selectmen Report

---

L-R Chairman Scott Bryer, Selectman Donald Hodgdon, Selectman Richard Wolf

It is our pleasure to submit the annual report of the board of selectmen for the year 2016. During the year, the board worked closely with Town Administrator Joseph Gunter to manage the town and continued to serve as liaisons for numerous boards in town including the economic development committee, the planning board and the recreation commission.

During 2016 we continued to improve the town roads by paving the west end of Bow Lake Road and eliminated the erosion problem at Mary Waldron Beach by improving the parking area.

Fire Captain Kevin Madison retired in 2016 and Fire Fighter David Wakeman moved to South Carolina. They were replaced by Richard Antoine and Adam Schaub. We wish David and Kevin luck in their future endeavors and welcome Richard and Adam to Northwood.

Other town departments welcomed new staff. Joseph Wheeler and David Coe started at the transfer station; Judy Pease hired Savanna Audet as the new deputy town clerk/tax collector; and Ms. Sharon DeLuca has taken the reins as the director of the recreation department. We look forward to working with all of the new town staff.

Also, during 2016 we were able to repair and seal coat the parking lot at Chesley Memorial Library, replace the furnace in the Ridge fire station, and install a new HVAC system at town hall. The town also laid out the new baseball diamond and plans are being made to start construction on the full-size soccer field.

The Bean Hole Bash committee had another successful year and plans are being made for 2017. The recreation committee had a record turnout year for its Trunk-or-Treat event in October.

As always, the members of the board of selectmen would like to express its gratitude to the town employees and volunteers of the many boards and commissions for their invaluable efforts in keeping Northwood a vibrant and desirable place to live. We hope that the residents continue to volunteer their time on elected and appointed boards; together we can continue to move Northwood forward.

  
Scott R. Bryer

  
Richard Wolf

  
Donald Hodgdon

## Town Administrator Report

---

To the Residents of Northwood:

It is again an honor to write the town administrator's report for the Town of Northwood. Whenever I write about the accomplishments of the town, the one theme I come back to time and again is the dedication and resilience of our town volunteers. At the risk of being repetitive I intend to write about our achievements in 2016 and again commend those volunteers that help keep the town running smoothly.

2016 turned out to be as productive as we had hoped. The baseball diamond was built, three roads were completely rebuilt, two roads were patched, and most dirt roads had product added to them for the first time in years. Maintenance and repairs were done to all of the municipal buildings, we improved service at the transfer station and Swap Shop, our recreation programs have seen a 10% increase in participation across the board, and if you went to the Trunk-or-Treat event, you would have seen about 400 people enjoying the bonfire and music. None of this is possible without the dedication of our volunteers. The highway and facility committees keep our roads and buildings in shape and our recycling and recreation committees help improve the services we use the most and that mean the most to us. Again, all of you who dedicate those hours to your committees - thank you. It has been a pleasure working with all of you and even becoming friends with you.

All in fun: willing to get wet at the Bean Hole Bash event

Perhaps the best part of 2016 was seeing new volunteers taking part in running the town. From formalized volunteer opportunities like those on the recycling committee to less formal volunteers who help keep the Swap Shop clean and Trunk-or-Treat safe, we have seen a dozen new faces taking part and it is inspiring. Their passion for helping the town is infectious and it has been a pleasure getting to know all of them over the last year. It has been wonderful to see the town coming together for larger events and more volunteering. Northwood is growing into a community with strong shared goals and a commitment to civic engagement. From the 10,000-foot perspective things are looking great and I'm looking forward to the next few years to see how our community grows together.

The future is looking bright for our town. Services are improved, participation is at a record high, the tax rate is down, and we have more folks chipping in now than we have had in years. After two very productive years, we are not resting on our laurels. One of my priorities for 2017 is to continue improving the service at the transfer station. One way to do this is to start accepting credit cards. We have been working on it this year and it looks like 2017 will be the year we implement.

We have received a \$20,000 grant to improve the Route 4 ballfields so I hope to implement those improvements in 2017 as well. And, with the approval of the town and the board of selectmen, I would like to do the hard work of attracting businesses and more economic development to the town. Strong local businesses help reduce the tax burden for the average resident and good jobs from those businesses will help keep our children in the area. Economic development is frustrating work but as a community working together, I am confident we can develop in a way that is amenable to all residents.

2016 has been a productive year for the town and I expect no less from 2017. I am grateful to be a part of this hard-working community and look forward to learning and growing with its residents over the coming years.

Joseph Gunter, Town Administrator

---

## Assessor's Report

---

---

The systematic inspection of a portion of the town's 2,953 properties will continue throughout the coming year. The assessor will be visiting properties to confirm that our information is up to date and accurate. Seven hundred forty-one (741) properties were visited as part of the 2016 cyclical process.

During 2016, one hundred thirty-one (131) properties were reviewed due to new construction or changes to the physical property. Such changes could have been as minor as the addition of a garden shed or as elaborate as a new house. All building permits are considered and a site inspection is made. Any taxpayer may request an inspection to correct an erroneous description of the property, simply call the town hall and leave a message.

If any taxpayer feels that they are being incorrectly assessed for tax year 2016, they may request an abatement. Abatement applications are available at the town offices and can also be found on the town's website at <http://www.northwoodnh.org>, under the main menu on the left side of the screen. Remember, all abatement requests for tax year 2016 must be submitted, or postmarked, by March 1<sup>st</sup> 2017.

The deadline to request a statutory exemption or credit is April 15, for the 2017 tax year. Exemptions for qualified individuals are available for the **elderly, veterans, the blind, the handicapped, improvements made to assist the handicapped, solar, wood heat, and wind power**. Qualification requirements and applications are available from the Town, or can be found on the State's web site. Eligible property owners wishing to enroll their land in the current use program beginning in 2017 must submit their application by April 15.

If you have any questions regarding qualification for exemptions, current use, or any issue regarding the assessment of your property please call the assessor's office at (603) 942-5586 Ext. 207, the e-mail address for the assessing office is [fsmith@northwoodnh.org](mailto:fsmith@northwoodnh.org). Your call or e-mail will be returned as quickly as possible. An assessing agent is normally available each Thursday at the Town Hall.

Respectfully submitted,

Fred H. Smith, Assessor

Brett S. Purvis & Associates

## Building Department, Code Enforcement & Health Department Report

---

---

The building department once again saw an increase in activity within the community and long term planning in 2016. Northwood is growing. We are here to help you reach your goals while following the state laws and local ordinance. The main purpose of building codes is to protect public health, safety and general welfare as they relate to the construction and occupancy of buildings and structures. In 2017, we anticipate the state adopting a new building code as well as changing rules on in-law apartments. We have been working with Northwood elected boards as well as neighboring towns on how best to comply with these. All the new codes have been purchased and awaiting implementation. We can help you navigate the rules to ensure compliance. Abraham Lincoln said it best "The legitimate object of government is 'to do for the people what needs to be done, but which they cannot, by individual effort, do at all, or do so well, for themselves'."

In 2016 there was a total of thirty-five new single family homes being built, twenty-three of which permits were issued in 2016. Four of these were from the phase II of the Deer Ridge sub-division. We anticipate another ten in early 2017. To make way for these new homes, there were several demolitions; some of which were donated to the fire department to provide great training.

## Cemetery Trustees Report

---

The six town-owned and maintained cemeteries are Pine Grove, East Northwood, Ridge, Harvey Lake, Old Canterbury and Fairview. The cemetery trustees oversee the care of these burial grounds with the assistance of caretaker Sherman Elliot, Bill Bushnell, and Ellen Murphy. Marcia Severance is now a trustee but also remains our town secretary.

Photo by Matthew Davis

The mowing and trimming were done by Barry LaValley and crew. Ben Edwards decided not to mow this year for the town. Steve Bailey and Marcia handled the sale of lots, Sherm handled burials, and Charlie Pease and Pete Elliot did clean up when needed.

Janet Delfuoco resigned this past summer and Taryn Bassett was appointed in her place. Thanks to Janet for all she has done. Welcome, Taryn.

Ellen Murphy will not be doing the spring planting at the cemeteries in the future. Ellen is one of the volunteers that I always forget to mention. Thank you, Ellen, for all you've done. Marcia also helps with the plantings and continues to do so.

John Schlang continues to work with the veterans who keep the memorial markers and flags in good shape. They also are making plans for a special project coming up in 2017.

Thanks to all of you that help, but did not get mentioned. Thank you also to those who care for the private cemeteries and make them accessible to all.

Respectfully submitted,

Stephen Bailey, Trustee Chairman

Charles Pease, Trustee • John Schlang, Trustee • Marcia Severance, Trustee  
Janet Delfuoco, Trustee (resigned) • Taryn Bassett, Trustee (appointed) • Sherman Elliot, Supervisor

---

## Conservation Commission Report

---

The conservation commission was established in 1971 by the Town of Northwood, pursuant to RSA36-A:2, for two primary reasons:

1. To provide guidance for the protection and proper utilization of the town's natural resources (woodlands, wetlands, lakes, and ponds);
2. To review and provide input on applications to dredge or fill wetlands for development projects in town; and,
3. To maintain maps of the town's natural features, and promote and sponsor events and activities that raise awareness of the value of natural resources.

Other activities in 2016 included:

- Coordinating a workshop on the history of dams on lakes in town and dam management strategies for lake associations and dam owners.

The commission and town staff continually coordinate with other town commissions and community organizations to expand and improve the Northwood Meadows SP, Forest Peters WMA and the greater Saddleback Mountain/Lamprey River headwater areas. This natural area is an exceptional resource for the town and is a model for a truly unique relationship between public and private neighbors that work together to achieve common goals, and exemplifies community commitment to natural areas. It is a privilege for the town to work collaboratively with other groups on these natural resource preservation efforts that benefit both the town and the region as a whole. The conservation commission continues to work with the citizens and land owners of Northwood to protect the Town's land, water and natural resources and encourages constructive input and participation by residents, on conservation matters.

Below is the number of natural resource impact permits in the Town issued over the last fifteen years.

---

## Conservation Commission Report

---

The Northwood Conservation Commission meets in the Northwood Town Hall at 7:00 p.m. on the first Tuesday of every month. Please join us, as an interested party or possibly as a future member. Our strength in being effective depends on you.

Respectfully submitted,

Stephen Roy, Chairman

Members: Vice-Chair Shelley Frost, Tom Chase, Steve Hampl, Grace Levergood, P.E., James Ryan, Wini Young, Alternate Loren O'Neil.

## 2016 Department Report

Northwood Fire-Rescue Department responded to 647 calls in 2016. The department responds to these calls day and night with the dedication of four full-time members, part-time staff, and several on call members. Most of these members sacrifice family time and personal commitments to help protect this town and make the Fire-Rescue department more efficient. I cannot thank the members enough for all the extra hours of training and extra duties that they give to help the community.

This year we have lost two valuable assets to the department. Full-time Fire Lieutenant David Wakeman moved out of state after being a full-time firemen in the town for 10 years. Captain Kevin Madison retired this fall after being on the department for over 30 years. We will greatly miss both members and appreciate all they gave to help the town over the years.

The department is pleased to announce the hiring of FF/EMT Rich Antoine and FF/EMT Adam Schaub to fill the two open full-time slots. Both of these candidates bring lots of experience and attributes that we believe will benefit the town.

Last January the department had two promotions. Colleen Krochmal was promoted to EMS Lieutenant and Daryl Morales was promoted to Fire Lieutenant. Both these members have taken on several additional responsibilities and continue to help with duties around the station to help with the department operation.

Training in 2016 was very vital to our members. Emergency medical training is always critical to maintain and requires many hours each year to stay current and maintain the individuals' credentials. This past year we have regionalized our trainings with Epsom, Chichester, and now Pittsfield to get quality certified training at no cost to the towns. This has improved attendance at these trainings and the education we have received has been outstanding. We also were able to use two structures in town for fire training this year. The homes were going to be destroyed so the owners donated the buildings for us to train in for several weeks and then were used for live fire training at the end. These trainings involved "real" fire and real scenarios that is almost impossible to create elsewhere. The training our town and surrounding towns gained was invaluable.

The department would like to thank all the local businesses that have helped us through the year as well as the residents of the town. The support is very much appreciated. Most of all I want to thank the members and their families for the sacrifices and dedication they give to help make Northwood a safer place.

Respectfully submitted,

Nikolas K. Bassett, Fire Chief

## Report of Forest Fire Warden and State Forest Ranger

Over the past two years, New Hampshire has experienced its busiest fire seasons since 1989. 1,090 acres burned during the 2016 season. The White Mountain National Forest experienced its largest fire since becoming a National Forest, burning 330 acres in the town of Albany in November. Fires falling under state jurisdiction burned 759 acres, with the largest fire of 199 acres occurring in Stoddard. The extremely dry summer led to a busy fall fire season with large fires occurring into mid-November. Drought conditions hampered fire suppression efforts and extended the time needed to extinguish fires. Your local fire departments and the Division of Forests & Lands worked tirelessly throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. Our fire lookouts are credited with keeping many fires small due to their quick and accurate spotting capabilities. The towers fire detection efforts were supplemented by the NH Civil Air Patrol when the fire danger was especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2016 season threatened structures, and a few structures were burned, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at [www.firewise.org](http://www.firewise.org). Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

As we prepare for the 2017 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting [www.NHfirepermit.com](http://www.NHfirepermit.com). The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department or DES at 603-271-3503 or [www.des.nh.gov](http://www.des.nh.gov) for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at [www.nhdf.org](http://www.nhdf.org).

## CAPITAL AREA MUTUAL AID FIRE COMPACT

President: Chief Jonathan Wiggin

Chief Coordinator: Keith Gilbert

P.O. Box 3962  
Concord, NH 03302-3962

Email:  
[capareac1@comcast.net](mailto:capareac1@comcast.net)

Telephone: 603-225-8988  
Fax: 603-228-0983

### **2016 ANNUAL REPORT TO BOARD OF DIRECTORS**

The 2016 annual report is prepared for the Board of Directors of the Capital Area Mutual Aid Fire Compact as a summary of general activities and events occurring through December 31, 2016. It is also provided to the Town offices of the Compact's member communities for information and distribution as desired.

The Compact's operational area is 769 square miles with a resident population of 132,983. The Equalized Property Valuation in our coverage area is currently listed as over twelve billion dollars. We also provide and receive mutual aid responses with communities beyond our member area.

The Compact provides 24/7 emergency dispatch service to its twenty-two member communities. This service is contracted with the City of Concord Fire Department's Communications Center. A detailed activity report by town/agency is attached. The year-end totals for 2016:

Number of incidents =	23,146
Increase over 2015 =	3.6%
Telephone calls received on emergency lines =	46,661
Outgoing telephone calls made =	9,435
% of telephone calls answered in less than 15 seconds =	99.23%
Fire alarm systems placed in/out of service =	2,901
Average number of incidents per day dispatched =	63
Average number of telephone calls per day =	154

The 2016 Compact operating budget was \$ 1,148,588. Funding for all Compact operations is provided by the member communities. We continue to apply for State and Federal Grant Funds when available. The Phase 1 and 2 communications work funded in 2014 with a \$499,403 grant was completed during 2016. Equipment for simulcast communications was installed and the system is in operation. The Phase 3 communications work funded with a 2015 grant is still in the planning stages, with work scheduled to begin over the winter. The Compact has received a total of \$1,499,225.59 in grant funding since 2007.

During 2016 we replaced the command vehicle used by the Chief Coordinator. The 2007 GMC Yukon XL with 165,000 miles was replaced with a new 2016 Chevy Tahoe.

The Chief Coordinator responded to 155 incidents throughout the system in 2016, and provided command post assistance on those mutual aid incidents. He also aids all departments with response planning, updating addressing information, and represents the Compact with several organizations related to public safety.

57 REGIONAL DRIVE, CONCORD, NH 03301

ALLENSTOWN · BOSCAWEN · BOW · BRADFORD · CANTERBURY · CHICHESTER · CONCORD · DEERING · DUNBARTON  
EPSOM · HENNIKER · HILLSBOROUGH · HOOKSETT · HOPKINTON · LOUDON · NORTHWOOD · PEMBROKE · 42  
PITTSFIELD · SALISBURY · WARNER · WEBSTER · WINDSOR

Compact officers serving during 2015 were:

President, Chief Jon Wiggin, Dunbarton  
Vice President, Chief Ed Raymond, Warner  
Secretary, Chief Alan Quimby, Chichester  
Treasurer, Assistant Chief Dick Pistey, Bow

The Training Committee chaired by Henniker Captain Mick Costello; with members Bow Assistant Chief Dick Pistey, Chichester Deputy Chief Matt Cole and Warner Deputy Chief Jon France assisted departments with mutual aid exercises. These combined drills provide valuable training in the delivery of mutual aid services.

The Central New Hampshire Hazmat Team represents 58 Capital Area and Lakes Region area communities and is ready to assist or respond to hazardous materials incidents in our combined areas. Hazardous Materials Team Chief Bill Weinhold encourages all communities to participate in the Regional Emergency Planning Committee (REPC) planning programs and to take advantage of hazardous materials training for local departments.

2016 was the second consecutive year of significant brush fires throughout the Compact and all of the State. The ongoing drought continues to elevate the wildfire threat. The importance of mutual aid was highlighted by these large scale incidents as Compact departments travelled far outside their normal response areas to provide help to other communities and some received assistance from multiple departments. The dispatch center was busy coordinating Compact responses and fulfilling their role as the primary contact for the Statewide Mobilization Plan.

All departments are encouraged to send representation to all Compact meetings. Your input is needed. The Compact was created for the mutual benefit of member communities and active participation is a necessity to ensure the needs of all are being met.

I invite anyone with questions or comments to contact me. I thank all departments for their cooperation. Please contact any Compact officer or the Chief Coordinator if we may be of assistance.

Keith Gilbert, Chief Coordinator

## Facilities Committee & Athletic Fields Committee Report

---

---

The work of this committee continued from its start, late in 2015, with the replacement of storm windows for the Chesley Library. The committee searched for the right combination of contractors who could produce the windows that would be right for the library, and who could also handle repairs and painting of the window areas. It was the middle of 2016 when the details of this project were pulled together and the contractors were hired.

The results of the committee's work in obtaining the contractors for this work, can be seen as you approach the library, as the change of windows has produced a new look to the building.

The Community Hall is a very popular place for meetings of committees and several organizations of Northwood. More work was done inside, as well as outside. Vehicle parking areas were defined and signs were installed. The area for a generator was defined and the improvements to be made to the handicapped ramp and railing areas, and parking areas were selected.

The condition of the outside of the building was checked, and painting will be done where needed.

With the 250<sup>th</sup> Anniversary of the Town of Northwood slated to be observed in Year 2023, it is time to inform the facilities committee of repairs that need to be done to any of the town buildings, as we want the town to have on its best "apparel" for the celebration. Drop your suggestions off at the town hall and the committee will review them and make their suggestions to the selectmen. If you wish to be part of the planning committee for the anniversary celebration, you may drop off a note of interest with your contact information at the town hall for the committee.

Respectfully submitted,

Steve Bailey, Chairman

Marion Knox, Secretary

Rick Wolf, Selectmen Representative

Sharon DeLuca, Recreation Director

Betty Smith, Library Representative

## Facilities Committee & Athletic Fields Committee Report

---

### NEW ATHLETIC FIELDS REPORT

As of this report, the large ball field was 99% completed. The word of a local construction company, who said that by the end of the 2016 fall season the field would be done, was right!

The field was raked and seeded, and fenced in to keep winter vehicles and all other vehicles off the newly completed fields.

There are several local and regional groups of athletes, who are anxious to learn what the rules and regulations are for the use of the fields. They have been told that the committee and the board of selectmen are working on this, and have spent time reviewing regulations of other communities as they deliberate about those for Northwood.

The funds for the entire project of the fields are almost exhausted. Hopefully there will be money left for the list of items that are usually part of this type of a recreation area. The list is: rest room facility, playground area, more lighting, food area, signs, and additional parking. Also needed, for the first year of operation, is a budget that will cover all the mowing of the fields, and maintenance of the entire area.

The committee is looking forward to the official opening of the entire facility in the spring of 2017.

Respectfully submitted,

Steve Bailey, Chairman

Robert Bailey

Fred Bassett

## Friends of Northwood Meadows State Park Report

---

*Northwood Meadows, Photo by Sydney Ho-Sue*

The Friends of Northwood Meadows State Park is a local non-profit volunteer organization that works in association with the NH Department of Parks and Recreation to improve the health of the park, protect its natural resources, and further opportunities for recreation, education and enjoyment of the park and surrounding open lands by all park visitors.

Our primary mission is maintenance and improvement of park trails and facilities. We hold park work days in spring and fall. We clear, maintain and mark trails, repair and improve fishing platforms and other structures, and conduct special projects and events in and around the park. In 2016, the Friends expanded and maintained the native garden in the parking lot island, repaired the “broom bridge”, and continued year-round maintenance and emptying of the dog waste station near the park’s front entrance gate. The stone wall on Route 4 was completed except for the end posts, which are forthcoming.

Many thanks to all the individuals, groups, local businesses, and organizations who make generous donations of time, money, and materials to support our efforts and the park.

We await additional information from the state about plans for permanent repairs to the Meadow Lake Dam. Unfortunately, the accessible fishing platforms remained out of water again and the lake level is still extremely low. We hope the situation improves and the lake is returned to its normal size and depth. Also, unfortunately, 2016 brought several vehicle break-ins, so don’t leave valuables in your vehicle that might make it an attractive target. And if you see something, say something - please contact the police department to report it. Lastly, a reminder to please park only in the parking lot – the driveway and area between the entrance from Route 4 and the parking lot needs to remain clear for emergency vehicles.

The Friends welcome all who share our interest in keeping the park in a healthy state for all to enjoy. We meet at 7 pm on the second Thursday of each month, at the Northwood Community Hall. For more information, please contact Maryalice Fischer, Secretary at 664-5097.

Respectfully submitted,

Greg Bane, President

Maryalice Fischer, Secretary

“Stone Man” Dan Schroth Piermarocchi (left) and his brother Mark Colby work on the stone wall near the parking area.

---

## Highway Advisory Committee Report

---

The committee made major strides in Year 2016 with the assistance of Administrator Joe Gunter, who along with handling other tasks, prepared, mailed and received Requests for Proposals for several road projects planned for the Year 2016 by the road agent and the committee. The list of roads that were considered included Bow Lake Road, Angela Drive, Patience Way, Lower Deerfield Road, Church Street, drainage at Mary Waldron Beach, and several roads that needed crack sealing, ditch work and culvert replacements.

The winter months of Year 2016 were basically snow free, which kept the cost of plowing down, but kept the need of sanding etc. at its usual amount. The winter maintenance budget had funds left when spring arrived, and those funds helped to cover the expenses of some of the 2016 road improvements.

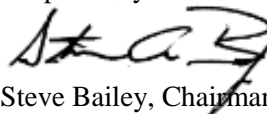

The committee has recommended the proposed funds for the 2017 highway budget which Road Agent Charlie Pease and Highway Laborer Peter Elliott, presented to the committee. The highway department is ready to perform their duties and will continue to bring all town roads into excellent condition.

The highway advisory committee is comprised of members who are well versed in road construction. It is a pleasure to have a congenial, very interested and devoted group of members, who are always at the meetings, ready to discuss all of the agenda items. The committee meets monthly on the last Wednesday of each month. At times their monthly meeting may be held jointly with the town facilities committee, when there is a reason for the committees to jointly discuss a road situation that also involves a town facility, such as the new athletic fields. Similar meetings have been held in the past, and have been very productive.

The 2016 committee members are:

Chairman Steve Bailey  
Secretary Marion Knox  
Selectman Rick Wolf  
Road Agent Charlie Pease  
Highway Laborer Peter Elliott  
Fred Bassett  
Greg Bane  
Robert Knowlton  
Bruce Hodgdon  
Joe McCaffrey.

Respectfully submitted,

Steve Bailey, Chairman

---

## Human Services Report

---

---

The mission of the Town of Northwood's Human Services Department is to help those whose circumstances do not allow them to meet their basic needs as defined by the town's Basic Needs Policy. The town's guidelines state that assistance will be provided when allowable expenses are greater than the income and other resources available to meet those needs. Emergency needs are met whenever possible, and clients are provided with information to direct them to additional resources to assist them towards self-sufficiency.

Welfare vouchers were given out to families and individuals who were facing eviction, homelessness, utility shutoff, loss of heat and burial assistance. Other individuals either called or stopped by the welfare office and were assisted with information and referrals to find the services that could help them.

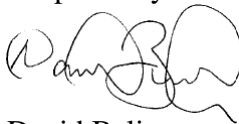

Some families were also given gift cards that were donated from Saint Josephs and Our Lady of Lourdes church, The Eastern Star; Crescent Chapter # 45 and The Northwood Masons: Morrison Lodge. The gift cards made it possible for families to purchase gas (to get to work, look for employment or go to medical appointments), buy diapers for their children, pick up needed hygiene items, and fill prescriptions.

It remains important to continue to recognize the work done by the Northwood Food Pantry. This volunteer organization with the help of the local churches provided fifty (50) Holiday Food Baskets this year as well as regular food distributions monthly to those in need. The Santa's Helpers Program, sponsored by the Northwood Fire-Rescue Association, gave out gifts to twenty one (21) families. Many people donated food and presents to make this possible.

A sincere thank you is extended to all the individuals and organizations for your generosity and support. Northwood is truly a community of caring.

Those in need of services can call for an appointment at 942-5586 extension 208, and/or go to the town's website [www.northwoodnh.org](http://www.northwoodnh.org) under Forms and Documents to access an Application for General Assistance.

Respectfully submitted,

David Balian  
Human Services Director

---

## Joint Loss Management Committee Report

---

The Joint Loss Management Committee met periodically to address accidents involving town employees and safety related issues that could be a liability to the town. The committee met four times throughout 2016 and will continue to do so throughout 2017. The committee currently includes the following people:

Chief Glendon Drolet, Chairman  
Joseph Gunter, Town Administrator  
Charles Pease, Highway Department  
Donna Bunker, Library  
Firefighter/EMT Matt Woodbury, Northwood Fire  
Stephen Bailey, Facilities Committee  
Dale Sylvia, Building Inspector

Respectfully submitted,

Police Chief Glendon Drolet  
Chairman

## Library Report

---

“A library outranks any other one thing a community can do to benefit its people. It is a never failing spring in the desert.”  
(Andrew Carnegie)

What do you picture when you think about the library? Maybe you picture a building with shelves and shelves of books. Maybe you picture a computer with someone looking up information. Maybe you picture a book discussion group or a children’s story time session...the library is all that and more! Public libraries are community hubs that not only connect people to information, but connect people to people. Public libraries offer free access to a wealth of information, online or in print or in person. Public

libraries promote literacy and advocate for your right to read. Public libraries are even evolving into places for creation and collaboration while remaining true to their original missions.

What do we see at the library? We see preschool children at story time and craft sessions; we see children at reading programs and special events; we see young adults doing homework; we see groups of Girl Scouts and Boy Scouts; we see adults at book discussions; we see seniors at our café; we see people using computers to check email or look for jobs or file taxes; we see people checking out books and movies; we see families playing with our makerspace toys; we see people getting together to socialize. We also provide services “behind the scenes” with access to downloadable books and informational links on our web sites that residents can use at home. The Chesley Memorial Library is an important part of our community and as always, the Trustees and Staff welcome the opportunity to share the following information with Northwood residents.

### MISSION STATEMENT

It is the mission of the Chesley Memorial Library to assemble, preserve, and administer, in organized collections, books and related educational, recreational, and informational material in order to promote learning, inform citizens, and to enrich personal lives.

### 2016 BY THE NUMBERS

Registered Patrons: 2,519 library cards

Total Circulation: 25,627 items checked out

Audiobook/eBook Circulation: 2,989 items downloaded

Inter-Library Loans Borrowed: 739 items borrowed from other libraries

Inter-Library Loans Forwarded: 785 items loaned to other libraries

Computer Usage: 2,295 visitors used the public access computers (four available)

Reference Transactions: 1,333 questions answered by library staff

### 2016 BY THE ACTIVITIES

The library has a wide variety of ongoing programs as well as many special events throughout the year. Details on library activities can be found at [www.chesleylib.com](http://www.chesleylib.com) or residents can sign up for our monthly newsletter. Program information can also be found on Facebook, Twitter, and the outside sign provided by our Friends of the Library.

---

## Library Report

---

### REGULAR PROGRAMS

Afternoon Book Discussions – First Wednesday of the month at 2:00 pm – The afternoon group started the year on a high note with a scintillating discussion of “The Boys in the Boat: Nine Americans and Their Epic Quest for Gold at the 1936 Berlin Olympics” by Daniel James Brown. It can be hard to find character-driven nonfiction that reads like a novel so the group was very impressed with this book.

Evening Book Discussions – Fourth Wednesday of the month at 7:00 pm – The evening group rose to the daunting challenge of reading “Gone With the Wind” by Margaret Mitchell over the summer. This Pulitzer-prize winning epic novel of love and war was well worth the effort as the group delved into an in-depth discussion about the Civil War and its aftermath.

Magformers/LEGO Club – Wednesdays 12:00-6:00 pm – The library added Magformers to the LEGO Club by popular demand. What are Magformers? Magformers are intelligent magnetic construction sets that promote brain development. All kinds of creations flourish at the library on Wednesdays!

1000 Books Before Kindergarten – This ongoing program is co-sponsored by the library and Northwood School. Children receive special recognition at the library as they read their way to a total of 1,000 books before kindergarten. A special event was held at Northwood School in August to congratulate participants who met their goal and to recognize all participants entering kindergarten.

Senior Café – Mondays 1:00-2:30 pm – Our seniors look forward to visiting with each other while enjoying homemade snacks along with a cup of coffee or tea. Sometimes special guests join the group like Boni Hibbard with her ukulele, Marilyn Stevenson from the State Library’s Talking Book Services, or Vicki Rosenberg with her therapy dog Gus.

Story Time – Wednesdays 10:30 am - Story Time sessions explore a variety of themes shared through books and crafts while introducing young children to the joys of reading and the library.

The Cat in the Hat (aka town administrator Joe Gunter) surprised our young story time group on Read Across America Day in March so you never know when a special visitor might pop in.

Summer Reading Program – Wednesdays (summer only) – We offered four different summer reading programs this year, one for every age. Preschool-K and grades 1-5 both revolved around the theme “On Your Mark, Get Set...Read!” “Get In The Game – Read” was the theme for grades 6-12 and “Exercise Your Mind. Read!” was the theme for adults. The program was filled with lots of activities, crafts, games, raffles...and (of course) books!

### SPECIAL EVENTS

Author visits - Jared Carlson, Bree Gunter, Adi Rule, Rebecca Rule, Clay Sauls, Robin Vergato  
Book Award Voting - Flume Award, Great Stone Face Award, Isinglass Award, Ladybug Award  
Children’s programs - Giant Games, Makerspace Play Days, Night Owl Story Times, Teddy bear Sleepover, Zentangle Session  
Craft sessions - crocheting, knitting, sewing, holiday crafts, vacation crafts  
Food programs - Choco-Taco, Cupcake War, chocolate fountain parties  
Friends of the Library events - Candidates Night, Humor&Harmony, Soups On, book sales  
Literary events - The Moth, Writers Night Out

## NALMC Report

---

2016 was a year of celebration for NALMC with many activities and educational programs leading up to a successful 10 year birthday event held at Short Creek Farm on September 10. Over 100 people, from the “NALMC Neighborhood” and surrounding community, gathered to reflect on the success of the first 10 years and to unite around shared future goals.

Northwood Area Land Management Collaborative (NALMC), is a grassroots organization that has been successful in changing how discussions about land conservation take place for 10 years. Nowhere else in the state has such a collection of varied interests, both public and private, come together to manage land in a cooperative way. Northwood Meadows State Park is the center of the NALMC neighborhood. Through community get-togethers, events, pot-luck dinners, and the development of a Neighborhood Ecological Assessment, the dedicated members of the NALMC Steering Committee have helped educate land owners about a Land Ethic and good stewardship resulting in collaborative efforts to conserve 2,600 acres of land.

The NALMC story is a reflection of a community process – a story of broadening a land ethic in the Upper Lamprey River watershed – and an evolution of relationships among neighbors and their connection with the land. The outcomes from these personal relationships have collectively served to maintain and enhance the ecological, social, recreational, and economic resources of the local landscape.

The CPN Report, aka Connecting People to Nature Report, our latest publication, describes the natural/ecological resources of these 2,600 acres of contiguous, permanently conserved properties, held by 17 different landowners in Northwood, NH. This report is designed to capture the critical elements of this story, including the ecological basis for this region, the major milestones in the development of NALMC, and the community voices that reflect the ripple effect of this important, innovative and impactful endeavor. We hope that through outreach and discussion, the CPN report will provide an exceptional educational and environmental resource for our landowners and neighbors, and serve as an example to other communities seeking to collect and compile detailed information on its natural resources.

We welcome you to join us in 2017. For more information go to our website: <http://nalmc.net>

Respectfully submitted,

Carl Wallman – Private Landowner - Chairperson

Nikolas Bassett – Private Landowner – Vice-Chairperson

Sam Taylor –NH Department of Resources and Economic Development – Secretary

### Steering Committee:

- Steve Eisenhaure - UNH Woodlands & Natural Areas Program • Jim Oehler - NH Fish & Game
- Steve Bailey - Friends of Northwood Meadows State Park • Greg Bane – Northwood Crankpullers
- Steve Roy – Northwood Conservation Commission • Rob Riley- Northern Forest Center
- Bryan Comeau - NH Division of Forests & Lands
- Private Landowners: Serita Frey, Jeff Lalish and Linda Smith

---

## Planning Board Report

---

As usual with elections, some changes came about in March 2016. Hal Kreider replaced long-time member Victoria Parmele, and Joe McCaffrey swapped seats with Lee Baldwin who is now an alternate member. Bob Strobel continued as Chair with Rich Bojko being chosen as Vice Chair. Speaking for myself, it is a pleasure working with an experienced board.

Planning Board had a relatively calm year for development. Applications totaled 12 with two major site plan projects (one new and one amended), four minor / minimal affecting small businesses, two minor subdivisions and four boundary line adjustments.

Several legal changes at the state and federal levels triggered a review of our local regulations. Northwood voters approved a definition of Accessory Dwelling Units (ADUs) in March 2011, but the state defined them somewhat differently in 2016, so we modified ours to bring them into compliance. The US Supreme Court determined that signs fall under free speech and sign regulations must be content neutral; we reworked our sign regulations so that the purpose of words on a sign do not determine its size, placement or timeframe. Also in the review, we further streamlined the application process for small changes to business uses. Those changes are on the ballot in March 2017.

We have made some slow progress on updating the Master Plan. New Town Administrator Joe Gunter worked with us on sending out a second community survey, and Chair Bob Strobel compiled the results. To very briefly summarize, most town residents like the path the town has taken with respect to residential and commercial development, and natural resource protection, but more recreational services are desired.

While member changes are expected with elected positions, staff changes do not come about as routinely, and we bracketed the year with them. Susan Austin was welcomed as Land Use Secretary early in the year; she hit the ground running and has continued that pace since. As well, Town Planner Matt Sullivan accepted a position in a different municipality at the end of 2016. Speaking for the board, we will miss his professionalism and guidance, and we wish him well in his new position.

As always, we have at least two members whose term is up for election each year. If you have any questions about planning board, please speak to any Land Use Department staff or any board member.

Respectfully submitted,

Robert Strobel, Chair (2018)  
Rich Bojko, Vice Chair (2017)  
Rick Wolf, Selectman's Rep.  
Joe McCaffrey (2019)  
Hal Kreider (2019)  
Betty Smith (2018)  
Lucy Edwards (2017)  
Ken Rick, Alternate (2017)  
Lee Baldwin, Alternate (2017)

Home construction began in late 2016 in a newly approved 3 lot subdivision

---

## Police Commission Report

---

L-R: Commission Chairman John Schlang, Commissioner Richard Cummings, Commissioner Ken Rick

Northwood voters approved the adoption of a police commission to oversee the operations of the Northwood Police department in March 1987. The commission is an elected three-person board, with one member being elected to a three-year term each March. The commission operates under NH RSA 105-C, a state law which defines the establishment, duties and powers of the commission. Since its inception 30 years ago, the commission has held monthly meetings open to the public to attend. In 2016, that tradition continued with the commission holding regular monthly meetings on the third Tuesday of the month at 5 pm at town hall.

The commission welcomes public input and includes a public comment time each meeting for matters that are general in nature. If you have a specific matter or issue to discuss, we ask that you request in advance to be on our agenda so that adequate time may be scheduled. At the monthly meetings held in 2016, the commission reviewed policies and procedures, held budget reviews, approved purchase orders, and was kept advised of department activity through the monthly chief's report.

The police commission continues our commitment to the goal of insuring a professional police department that serves and protects the citizens of Northwood. The commission supports the ongoing efforts by our police department to be well trained and properly equipped to do their job in a professional manner. The department also strives to employ new technology and programs as they become available. We are supportive of the department's K-9 program and the efforts of the department to reach out to the community through events like the successful National Night Out held in August at Coe-Brown Academy.

If you would like to be on the commission's agenda or would like to submit your comments in writing to us, please contact Board Administrator Linda Smith at 942-5586 ext. 205 or [lsmith@northwoodnh.org](mailto:lsmith@northwoodnh.org)

We would like to thank the Northwood Board of Selectmen and Town Administrator Joseph Gunter for keeping the lines of communication open, and a cooperative spirit in working together on matters of mutual interest or concern.

The commission, consisting of Richard Cummings, Ken Rick and myself, would like to thank all of the townspeople for their continued support of the police commission.

Respectfully submitted,

John Schlang, Chairman  
Richard Cummings, Commissioner  
Ken Rick, Commissioner

---

## Police Department Report

---

During 2016 the Northwood Police Department responded to 2,542 calls for service. Officers made 205 arrests for the year and multiple felony indictments were handled through the Rockingham County Attorney's Office. Officers conducted 3,085 motor vehicle stops and handled 145 motor vehicle collisions.

\$10,000 in grants were awarded to the Northwood Police Department from the New Hampshire Highway Safety Agency to conduct Safe Commute Patrols, Speed Enforcement Patrols, and DWI Patrols. We anticipate applying for and receiving these grants again in 2017.

Corporal Preve and his K-9 partner Thor continue to work and train hard. They have assisted in many calls to include locating an elderly subject who had wandered away from his house in freezing temperatures without warm clothes on and located the body of a suicidal subject deep in the woods after a long track.

Three officers were recognized by McDonalds through the New Hampshire Chiefs Association during a statewide event on October 5<sup>th</sup>. Officers Zobel and Aube were recognized for their above the call of duty actions locating and removing a sleeping subject in a burning house. Detective Sergeant Wells was recognized for his Community Policing efforts and his community involvement in the Town of Northwood.

Officers have continued to participate in many community policing events this year. We held our first National Night Out event at Coe-Brown on August 2<sup>nd</sup> and it was a great success. We will be holding this event again in 2017. If you have an event you would like to have us participate in or a group you would like us to speak to please reach out to Detective Sergeant Wells to set something up.

The members of the Northwood Police Department would like to express their sincere appreciation for the support of the residents and once again ask for your support in keeping Northwood a safe community to live and work in. We also encourage everyone to like our Facebook page, [www.facebook.com/NorthwoodPolice](http://www.facebook.com/NorthwoodPolice), to keep up to date with what's occurring in Northwood.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Glendon L. Drolet".

## Recreation Department & Recreation Commission Report

---

---

In 2016, the mission of the Northwood Recreation Department and Recreation Commission was once again to make a positive impact in the lives of our residents, by providing programs and activities that served the needs of our community. The Northwood Recreation Commission is a volunteer commission, appointed by the board of selectmen, responsible for the organization and coordination of both formal and informal recreational programs throughout the year.

The recreation commission meets on the second Wednesday of every month at 6:00 pm at the Northwood Town Hall. Community members are always welcomed and encouraged to join our commission or attend meetings. For more information on Northwood Recreation programs and activities, please visit our website at [www.northwoodrec.weebly.com](http://www.northwoodrec.weebly.com) or find us on Facebook as Northwood NH, Recreation Commission. The recreation office can be reached at (603) 942-5586 X 209.

The recreation calendar began in February with the Fish and Freeze Kid's Ice Fishing Derby. Dozens of children braved the cold to try and land the big one. Over 19 fish were caught! March brought us the always popular flashlight and daytime Easter egg hunts and the search for the elusive golden eggs. In the spring, we once again had a successful partnership with the Thunder Track program. The summer featured two excellent soccer camps from Seacoast and Challenger and kicked off the soccer season that was once again a resounding success. In the fall, we welcomed our new Northwood Recreation Director, Sharon F. DeLuca.

Trunk or Treat drew even more people than last year featuring more games and activities. Special thanks to Northwood Police for their safety support and Northwood Fire Department for another awesome bonfire and to the Bocash family and friends for another scary haunted walk. A big thank you for the cleanup crew provided by Northwood Congregational Church.

The winter brought basketball to the courts for all. Youth Basketball began in November with increased participant numbers. Northwood Recreation also offers free adult basketball. It is held at Northwood Elementary School every Monday night at 8:00. Adult basketball is open to the general public. The Holiday Party with the lighting of the town hall tree was a huge success. Thank you to Northwood Fire Department and Rich Antoine for your Santa services and the Northwood Congregational Church and Girl Scouts for coordinating our caroling this holiday season. Other popular activities throughout the year included swim lessons, senior fitness, yoga, and playgroup.

2016 was memorable not only for its activities and events but also for the advent of online registration for soccer and basketball including the use of credit cards for payment.

The Northwood Recreation Commission would like to express our thanks to the volunteer coaches, referees, board and committee members, the baseball league and its board, as well as all the dedicated parents that assist in all of these community programs. The residents of Northwood, especially its children, benefit from the dedication of these fine individuals who do not receive enough recognition for their time and effort. We look forward to an ever better and bigger year!

## Road Agent Report

---

Great progress has been made in repairs and upkeep to the town roads this year. The beginning of 2016 was fairly mild, and the spring had some issues with mud, but not severely. The summer, being so dry, made it difficult to grade the roads, even though they were done; they were graded once again in the fall. Gravel was also added to Deerfield Road.

Summer road work included ditching on the dirt roads: tree removal, ditching, grinding and paving of Bow Lake Road from the Red Listed bridge to the Strafford town line. This work included the solving of the drainage issue at Mary Waldron Beach and the subsequent paving of its parking lot. The highway department cut trees and brush on Angela Drive. Two culverts were replaced on Angela Drive and then it, along with Patience Way, was ground and repaved. Lower Deerfield Road was ground and repaved in a couple areas and Gulf Road was overlaid in a couple areas as well. A drainage issue was repaired on Cross Street and was also overlaid. Jeffrey Drive had some work done to it, including shimming. Chesley Memorial Library parking lot was seal coated and striped. Paving was also done at the transfer station, and several roads were crack sealed.

Winter came in early with ice and several inches of snow. With the addition of the new Ford F-550 voted in by residents in March of 2015, and the addition of Richard Welch as a part-time laborer, along with the outside contractors, we have been able to keep up with it.

This was my first year as road agent and I am looking forward to another successful year in 2017. Thank you all for your support and understanding.

*Charles Pease*  
Charles H Pease, Road Agent

New pavement was installed on Lower Deerfield Road

Strafford Regional Planning Commission's mission is to assure that the region is responsive to the needs of its residents through cooperative actions with municipalities and federal and state agencies, through the implementation of regional plans, and through local planning assistance. The Commission's professional staff provide transportation, land use, economic development, hazard mitigation, water, public health, and natural resource planning services; geographic information services (GIS); data collection and analysis; facilitation; and project management.

### 2016 Specific Accomplishments in Northwood:

- Beginning in September 2014, Senior Planner Matt Sullivan provided planning services to Northwood as the Town Planner. In 2016 this included:
  - Reviewing site plan, subdivision, and other land use applications and preparing findings and recommendations memos for the Town and Planning Board.
  - Assistance to applicants in preparing application materials and technical documentation.
  - Providing support to elected officials including the Planning Board and the Economic Development Committee.
  - Attendance at Planning Board and Economic Development Committee meetings.
  - Holding weekly office hours and providing support to applicants and potential applicants.
  - Assistance to the Planning Board in providing an update to the Site Plan Review Regulations.
  - Miscellaneous map requests to Town staff and officials.
- Lent technical assistance through the creation of Northwood TIF Mapping Activities.
- Distributed *New Hampshire Planning and Land Use Regulation* books to local land use boards.
- Adopted the 2015-2040 Metropolitan Transportation Plan.
- Completed the standardized map set for the region, including maps for the Town of Northwood.

### Goals for 2017 for the Region:

- Provide technical assistance through mapping efforts.
- Use federal designation as an Economic Development District to provide municipalities with access to additional infrastructure and program development grants.
- Continue to carryout Brownfields assessment grant for the region and apply for additional assessment funds.
- Release the formatted 2015-2040 Metropolitan Transportation Plan.
- Carry out SHRP2 performance measure project with NHDOT, MPOs, our communities, and other stakeholders.
- Provide technical assistance to communities updating their floodplain and/or stormwater regulations.
- Develop online web maps and applications for use by the public, using ArcGIS online
- Continue local transportation planning tasks in support of safety, mobility, and access management.
- Complete Ten Year project solicitation with all Strafford region municipalities and transit agencies.
- Improve technical capacity for transportation project development and long-term planning.
- Continue to provide technical assistance, education and outreach on multi- hazard mitigation strategies, and low impact development.
- Continue development in the following three planning program areas to benefit the region's communities: energy/utilities, community health and safety, and resiliency to climate adaptation.
- Continue to enhance water resource protection by working with municipalities to improve drinking water protection.
- Complete the land use layer update.

We look forward to working with the citizens and officials of Northwood in 2017. Thank you for the opportunity to serve you and for your continuing support of regional planning. Further questions or comments can be referred to Cynthia Copeland, AICP, Executive Director at [cjc@strafford.org](mailto:cjc@strafford.org). We can be found on Twitter and Facebook! We also have a blog at <http://strafford.org/magazine/>.

## Town Historian Report

---

---

In 2016 numerous people and places earned our congratulations. Among them:

Shannan Brown, a member of Northwood Joseph J. Jeffrey VFW Post #7217 named New Hampshire VFW Commander; the first woman to hold this position in NH.

Northwood Police Chief Glendon Drolet is sworn in as President of NH Association of Chiefs of Police by NH Attorney General Joseph Foster.

- Coe Brown Academy was listed by Newsweek as being among the top 500 high schools in the entire country.
- The DeTrude Family opened their new store, Heritage Corner Market, on March 29<sup>th</sup>.
- Robert Graves, III for creating a unique café and bakery known as Umami.
- Jim Wojtusik for having his six month old Simmental heifer (a breed of cattle originating in Germany) named Supreme Champion of all beef cattle at the Deerfield Fair.
- The specialty store, Piece Time Puzzles, in business in the old Willey barn for about 20 years, was a feature story in the Concord Monitor. The shingles on the roof spell Puzzle.
- The residents of the Town of Northwood for surviving the presidential election year filled with endless numbers of candidates, primaries, debates, accusations and commercials that resulted in the election of Donald Trump as the next President of the United States.

Two of Northwood's five church buildings are news worthy in 2016:

- The Congregational Church in the Center is looking beautiful again now that the restoration and refurbishing has been completed. Even the fancy "bonnet" on the steeple is once again in place.
- Sadly such is not true of the First Baptist Church in East Northwood. The 1770's building is for sale. At the present time the Northwood Library Trustees are considering the feasibility of acquiring the structure to be used for use by the community.

Who was Mary Waldron? If you know, please call Town Hall.

---

---

## Town Historian Report

---

---

Old buildings lost this year were all houses. In order through the year and coincidentally by age, oldest to not so old were:

- The 1805 Richard Hoitt house at 284 First New Hampshire Turnpike in May (this house was, until recently, a part of the longest set of buildings in Northwood. A part still standing is the new café and bakery, Umami.
- The 1817 Benjamin Hoitt house, 8 Old Turnpike Road in November.
- The circa 1855 Lamprey/Grey house on 56 Old Barnstead Road in December.
- The first two houses were dismantled carefully, some parts to be reused. The third house was intentionally burned by the Northwood Fire Department for training.

The Bean Hole Bash, as usual held on the last weekend in July, was moved this year from The Parade (Town Hall grounds) to the area between the Congregational Church and Coe-Brown Academy.

On a Saturday evening in early August a hot air balloon, astray from the Hot Air Balloon Festival in Pittsfield, made a forced landing in a small field off Blake's Hill Road. There was only one minor injury.

There are three Northwood authors who have had books published this year. To note a fairly new kind of self-publishing, is the one or two copy book written for a very limited readership and printed by companies such as Snap Fish. A by-product of the computer age.

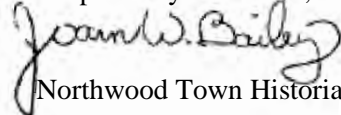

- Rebecca Rule's newest is an alphabet book entitled *N is for New Hampshire*.
- Jared Carlson and Bree Gunter have written children's books. Jared's is called *Max's Wild Egg* and Bree's is *Butter Toast the Pirate Goat: Adventure on the High Seas*.
- Clay Sauls, who grew up in Northwood, has a second book, this one is *The Life that Got Away*.

And what was the weather in 2016?

- It's always the extremes that are newsworthy. This year there were two "ice-ins" and the very early ice-out. The ice-ins occurred on January 4<sup>th</sup> to 5<sup>th</sup> and on December 11<sup>th</sup>. The ice-out, depending on the specific lake or pond was between March 10<sup>th</sup> and 12<sup>th</sup>.
- The coldest days were in February, 10° below or lower. There were several days of high winds in the spring and summer, including the one in July that caused power outages.
- Of all the weather conditions none equaled the period of severe drought that lasted from early July to late October. Water levels in our lakes and ponds were lowered, many fields failed to produce a second crop and pastures had no feed for cattle. An official drought was declared.

Final notes: Forsythia did not bloom in Northwood in 2016; loosestrife, an invasive plant, has been seen in Northwood; and the Great Halloween Cat came back.

Respectfully submitted,

  
Northwood Town Historian

## Zoning Board of Adjustment Report

The Northwood Zoning Board of Adjustment heard a total of 15 cases in 2016 that included 31 separate requests. Several of the cases included multiple variances based on the development of small lots that were located on private roads. The board hears all requests for relief from the Northwood Development Ordinance, including variances and special exceptions, appeals to administrative decisions, equitable waiver of dimensional requirements, and appeals to RSA 674:41 II. Each case is reviewed in open session, with notification provided to the public and abutting property owners. Each decision of the board is based on the unique characteristics and specific merits of the individual cases.

## Zoning Board of Adjustment Report

---

---

Long-time member Tom Lavigne left the board in 2016 following a move to nearby Strafford. We wish him all the best and thank him for the many years he served on the board. Alternate member Robert “Bob” Bailey stepped down after serving for many years, as a regular member and alternate. We appreciate that he continued to bring his expertise to the board as an alternate and hope he enjoys a well-deserved break from public service. The board welcomed Tom Johnson as an alternate member early in the year. He brings extensive experience and knowledge in the field of land use, building codes, and code enforcement to the board. Tom was appointed to full member at year end to fill the vacancy of Mr. Lavigne. I thank all of my fellow board members for their time and service to the town.

The board of adjustment meets monthly on the fourth Monday at 6:30 p.m. at the town hall, on an as needed basis, dependent on new or continued applications. Please contact the board administrator if you need information on the application process or if you have been denied an application to build, or if you wish to appeal the decision. The board administrator is available on Mondays at the town hall from 9 am to 4 pm. Messages may be left at 942-5586 ext. 205, at any time, or she may be reached by e-mail at [lsmith@northwoodnh.org](mailto:lsmith@northwoodnh.org). A ZBA guide and application forms for the zoning board are available on the town’s website under documents and forms.

All zoning board meetings are open to the public. The zoning board welcomes your attendance whether you would like to comment on an application or to view how the board conducts business. There are currently openings for alternate members on the board. If you are interested, please contact the office as noted above.

Respectfully submitted,

Roy Pender, Chairman

Curtis Naleid, Vice-Chairman \* Matthew Fowler \* Douglas Pollock \* Thomas Johnson  
\* Bruce Farr, Alternate

# DOORS OF NORTHWOOD

*Doors of Northwood* is a collaborative project completed in Mr. Chatfield's Advanced Photography class. Students include: Jacob Pagorek, Summer Barnes, and Katherine Martel.

To the inhabitants of the Town of Northwood in the County of Rockingham in said State of New Hampshire, qualified to vote in Town Affairs:

You are hereby notified to meet in the **Auditorium of Coe-Brown Northwood Academy**, 907 First NH Turnpike, in said Northwood on **4, February, 2017 at 9:00 AM** to participate in the **First Session** of the 2017 Annual Town Meeting. This session shall consist of explanation, discussion and deliberation of the Warrant Articles numbered Two (2) through Twenty three (23). The Warrant Articles may be amended subject to the following limitations: (a) Warrant Articles whose wording is prescribed by law shall not be amended, and (b) Warrant Articles that are amended shall be placed on the official ballot for a final vote on the main motion as amended.

**Second Session:** The Voting Session to act on all Warrant Articles, as amended, including the proposed budget, as a result of the action of the "First Session" will be held at the **Parish Center at St. Joseph's Church**, 844 First NH Turnpike, in said Northwood on **Tuesday 14, March, 2017**. The polls will be open from **7:00 AM to 7:00 PM**.

#### **Article 1: ELECTIONS**

To choose all necessary officers for the ensuing year.

#### **Article 2: 2017 OPERATING BUDGET**

Shall the Town raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **three million six hundred twenty three thousand one hundred sixty two dollars (\$3,623,162)**. Should this article be defeated, the default budget shall be **three million five hundred sixty three thousand two hundred eighty five dollars (\$3,563,285)** which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. **(Tax impact 0.24) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 8/2)**

#### **Article 3: FIRE APPARATUS LEASE/PURCHASE**

To see if the Town will raise and appropriate the sum of **fifty six thousand nine hundred twelve dollars (\$56,912)** for the third of five yearly payments for the lease/purchase of the new pumper truck, and to fund the payment by withdrawing the sum of **fifty six thousand nine hundred twelve dollars (\$56,912)** from the Fire/Rescue Vehicle Replacement Special Revenue Fund. This lease agreement was approved at the 2015 Town Meeting and does not contain an escape clause. **(No Tax impact) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

#### **Article 4: AMBULANCE PAYMENT**

To see if the Town will raise and appropriate the sum of **forty eight thousand six hundred seventeen dollars (\$48,617)** for the fifth of five annual payments on a five year lease on Ambulance 1 and to fund this appropriation by authorizing the withdrawal of **forty eight thousand six hundred seventeen dollars (\$48,617)** from the Fire/Rescue Vehicle Replacement Special Revenue Fund. This lease agreement was approved at the 2013 Town Meeting and does not contain an escape clause. **(No tax impact) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

#### **Article 5: HIGHWAY EQUIPMENT CAPITAL RESERVE DEPOSIT**

To see if the Town will vote to raise and appropriate the sum of **eighteen thousand five hundred dollars (\$18,500)** to be deposited into the previously established Highway Equipment Capital Reserve Fund. **(Tax Impact \$0.04) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 10/0/1)**

**Article 6: EXPENDABLE TRUST FUND DEPOSITS**

To see if the Town will vote to raise and appropriate the sum of **forty-eight thousand five hundred forty one dollars (\$48,541)**, to be placed in the following existing expendable trust funds created under RSA 31:19 –a. These amounts represent the amount of user fees deposited in the general fund in 2016 for these purposes, and the appropriation shall be funded by the withdrawal of **\$48,541** from the unexpended fund balance as of December 31, 2016. **(No tax impact) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by Budget Committee 10/0)**

<b>Cable Expendable Trust Fund</b> <b>\$36,253</b>	<b>Transfer Station Expendable Trust Fund</b> <b>\$11,088</b>
<b>Cemetery Expendable Trust Fund</b> <b>\$1,200</b>	

**Article 7: NORTHWOOD'S 250TH ANNIVERSARY EXPENDABLE TRUST**

To see if the Town will vote to raise and appropriate the sum of **five hundred dollars (\$500)** to be deposited into the 250th Anniversary Expendable Trust Fund to support efforts to recognize the town's 250th anniversary. **(Tax Impact: Less than \$0.01) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

**Article 8: LAGOON MAINTENANCE AND REPAIR EXPENDABLE TRUST FUND**

To see if the Town will vote to raise and appropriate the sum of **sixteen thousand five hundred seventy five dollars (\$16,575)**, to be placed in the Lagoon Maintenance and Repair Expendable Trust Fund and to fund this appropriation by authorizing the withdrawal of that amount from the Lagoon Special Revenue Fund held by the Northwood Treasurer. **(No tax impact) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by Budget Committee 10/0)**

**Article 9: PROVIDING TAX CREDITS TO ALL VETERANS**

Shall the Town vote to adopt the provisions of RSA 72:28-b, All Veterans' Tax Credit? If adopted, the credit will be available to any resident, or the spouse or surviving spouse of any resident, who (1) served not less than 90 days on active service in the armed forces of the United States and was honorably discharged or an officer honorably separated from services and is not eligible for or receiving a credit under RSA 72:28 or RSA 72:35. If adopted, the credit granted will be \$250.00, the same amount as the standard or optional veterans' tax credit voted by the Town under RSA 72:28 **(No Tax Impact) (Majority vote required) (Recommended by the Board of Selectmen 3/0)**

**Article 10: RED LISTED BRIDGE CAPITAL RESERVE FUND DEPOSIT**

To see if the Town will vote to raise and appropriate **eighty four thousand dollars (\$84,000)** to deposit into the Red Listed Bridge Capital Reserve Fund. This fund was established in 2016 to support the replacement of failing bridges in Northwood. **(Tax Impact 0.18) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

**Article 11: BACKHOE LEASE/PURCHASE**

To see if the town will authorize the selectmen to enter into a 5 year lease/purchase agreement in the amount of \$115,000 for the purpose of leasing a new backhoe, to trade in the existing backhoe, and to raise and appropriate an amount of \$20,000 for the first year's lease payment. The lease agreement contains an escape clause. **(Tax impact \$0.04) (Majority vote required) (Not Recommended by the Board of Selectmen 2/1) (Recommended by the Budget Committee 7/3)**

**Article 12: VESTED BENEFIT EXPENDABLE TRUST FUND DEPOSIT**

To see if the Town will vote to raise and appropriate the sum of **fifteen thousand dollars (\$15,000)** to be added to the Benefit Vested Time Expendable Trust Fund previously established. **(Tax Impact: \$.03) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

**Article 13: APPOINTING AGENTS TO EXPEND**

To see if the Town will vote to appoint the Selectmen as agents to expend from the previously established Police Equipment Reserve Fund. **(No Tax Impact) (Majority vote required) (Recommended by the Board of Selectmen 3/0)**

**Article 14: ROAD CONSTRUCTION/RESURFACING**

To see if the Town will vote to raise and appropriate the sum of **one hundred thousand dollars (\$100,000)** to be used for the construction, reconstruction, and/or resurfacing of Town roads, and the refurbishing of ditches and culverts as recommended by the Highway Advisory Committee. **(Tax Impact: 0.22) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

**Article 15: AQUATIC INVASIVE SPECIES PREVENTION EXPENDABLE TRUST FUND**

To see if the Town will vote to establish an expendable trust fund per RSA 31:19-a to prevent the spread of invasive aquatic species, including milfoil into Northwood ponds and lakes that are not currently infested with invasive aquatic species such as milfoil and to raise and appropriate the sum of **seven thousand dollars (\$7,000)** to be deposited into the fund. Furthermore to name the Board of Selectmen as agents to expend from this fund. **(Tax Impact: less than .02) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 10/1)**

**Article 16: AQUATIC INVASIVE SPECIES TREATMENT AND CONTROL EXPENDABLE TRUST FUND**

To see if the Town will vote to raise and appropriate the sum of **ten thousand dollars (\$10,000)** to be deposited into the previously established Aquatic Invasive Species Treatment and Control Expendable Trust Fund. **(Tax Impact: .02) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 10/1)**

**Article 17: ECONOMIC DEVELOPMENT – TIF District**

To see if the Town will vote to establish a Northwood West Tax Increment Finance District with the following components:

1. A TIF district with a total area of approximately 302 acres, encompassing an area beginning just east of Main Street, north of the 1<sup>st</sup> NH Turnpike, west of the intersection of Kelsey Mill Road and the 1<sup>st</sup> NH Turnpike and south of the Eversource utility easement, pursuant to RSA 162-K:5. The boundaries of said TIF District are depicted in the map titled Northwood West TIF District, dated 10/13/2016 and on file with the Town of Northwood Town Clerk.
2. An Advisory Board for the TIF pursuant to RSA 162 – K:14, with members to be appointed and removed at the discretion of the Board of Selectmen.
3. A Development and Finance Plan pursuant to RSA – K:6, K:9 and K:10, dated 12/28/2016 and on file with the Town of Northwood Town Clerk.

**(No Tax Impact) (Majority vote required) (Recommended by the Board of Selectmen 3/0)**

**Article 18: SPECIAL DUTY REVOLVING FUND**

To see if the Town will add the following language, which was omitted by error, to the previously established Special Duty Revolving Fund; Insert "These funds may be expended for all costs related to police special details, for the maintenance and replacement of police vehicles, and for police special duty related equipment. Furthermore to make only the Board of Selectmen Agents to expend from this fund **(No Tax Impact) (2/3 vote required) (Recommended by the Board of Selectmen 3/0)**

**Article 19: TO REMOVE THE SCENIC ROAD DESIGNATION OF SHERBURNE HILL ROAD**

To see if the Town of Northwood will vote to rescind the Scenic Road designation of Sherburne Hill Road pursuant RSA 231:157. **(No Tax impact) (Majority vote required) (Petition warrant article)**

**Article 20: BOAT RAMP RECONSTRUCTION AT MARY WALDRON BEACH**

To see if the Town will vote to raise and appropriate the sum of **sixty one thousand dollars (\$61,000)** to be used in the repair of the beach area, beach parking area and rebuild the boat ramp at the Mary Waldron Town Beach. **One time tax impact, if approved. (Tax impact: 0.13) (Majority vote required) (Petition warrant article) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 4/7)**

**Article 21: ELIMINATION OF THE POLICE COMMISSION**

Shall the Town rescind the action taken at the 1987 Town Meeting establishing a Police Commission so that the authority over the police department shall revert back to the Board of Selectmen.  
**(No Tax impact) (Majority vote required) (Petition warrant article)**

**Article 22: SCENIC ROAD DESIGNATION FOR RANGE ROAD**

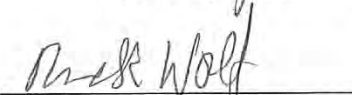

Shall the Town designate Range Road as a scenic road with all of the protections as designated in RSA 231:158.

**(No Tax impact) (Majority vote required) (Petition warrant article)**

**Article 23:** To transact any other business that can legally come before this meeting.

Given under our hands and seal this 24th day of January, 2017.

## NORTHWOOD PLANNING BOARD RECOMMENDED ZONING AMENDMENTS 2017

Are you in favor of adoption of Amendment #1 as proposed by the Planning Board for the town's development ordinance as follows:

Amend the purpose section of the ordinance to provide that one of the purposes of the ordinance is to implement the policies of the Master Plan without referencing a particular year's Master Plan?

Are you in favor of adoption of Amendment #2 as proposed by the Planning Board for the town's development ordinance as follows:

Revise the definition for *Structure* such that all driveways (even those without manmade surfaces) are now considered structures and to provide that fences are not considered structures?

Are you in favor of adoption of Amendment #3 as proposed by the Planning Board for the town's development ordinance as follows:

Amend Sections IV (B)(1)(b)(2) and IV (B)(1)(b)(3) to allow new building development on both Class VI and private roads which are proposed to be improved to current town standards and for which adequate security is provided to the town?

Are you in favor of adoption of Amendment #4 as proposed by the Planning Board for the town's development ordinance as follows:

Amend Section IV (B)(4) to clarify that driveways are exempt only from front setbacks and not from any other setback requirements?

Are you in favor of adoption of Amendment #5 as proposed by the Planning Board for the town's development ordinance as follows:

Add a new definition for the term *Accessory Dwelling Unit (ADU)*; and allow ADUs as a use permitted throughout town if they comply with specific performance criteria; and also to delete all references to *Accessory Apartments*?

Are you in favor of adoption of Amendment #6 as proposed by the Planning Board for the town's development ordinance as follows:

Delete all existing references to *Home Occupation and Home Business*; and adopt a new definition of Home Business that allows the use of a room in a dwelling or accessory building as a home office by an occupant of that property without site plan approval if the use does not generate any traffic and certain other conditions are met?

Are you in favor of adoption of Amendment #7 as proposed by the Planning Board for the town's development ordinance as follows:

Amend the criteria for development of a nonconforming lot of less than 80,000 square feet to require that the well protection radius on such lots not extend beyond the property lines?

Are you in favor of adoption of Amendment #8 as proposed by the Planning Board for the town's development ordinance as follows:

Amend Section VII (C)(4) to no longer allow by special exception new structures on undeveloped, pre-existing non-conforming lots when waterbody and wetland setbacks cannot be achieved?

Are you in favor of adoption of Amendment #9 as proposed by the Planning Board for the town's development ordinance as follows:

Replace the Sign Regulations section in its entirety with content-neutral Sign Regulations as required by the United States Supreme Court?

# Warrant Article to remove the Scenic Road Designation of Sheruburn Hill Road

To see if the town of Northwood will vote to rescind the Scenic Road designation of Sheruburn Hill Road pursuant RSA 231:157.

## Warrant Articles As Amended at Deliberative Session-February 4, 2017

**Article 7: NORTHWOOD'S 250TH ANNIVERSARY EXPENDABLE TRUST** To see if the Town will vote to raise and appropriate the sum of **one thousand dollars (\$1000)**, and to fund this appropriation by authorizing the transfer of that amount from the unreserved fund balance as of December 31, 2016, to be deposited into the 250th Anniversary Expendable Trust Fund to support efforts to recognize the town's 250th anniversary. **(No Tax Impact) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 11/0)**

### **Article 15: AQUATIC INVASIVE SPECIES PREVENTION EXPENDABLE TRUST FUND**

To see if the Town will vote to establish an expendable trust fund per RSA 31:19-a to prevent the spread of invasive aquatic species, including milfoil into Northwood ponds and lakes that are not currently infested with invasive aquatic species such as milfoil and to raise and appropriate the sum of **ten thousand dollars (\$10,000)** to be deposited into the fund. Furthermore to name the Board of Selectmen as agents to expend from this fund. **(Tax Impact: 0.02) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 10/1)**

### **Article 16: AQUATIC INVASIVE SPECIES TREATMENT AND CONTROL EXPENDABLE TRUST FUND**

To see if the Town will vote to raise and appropriate the sum of **twelve thousand dollars (\$12,000)** to be deposited into the previously established Aquatic Invasive Species Treatment and Control Expendable Trust Fund. **(Tax Impact: 0.02) (Majority vote required) (Recommended by the Board of Selectmen 3/0) (Recommended by the Budget Committee 10/1)**

### **Article 17: ECONOMIC DEVELOPMENT – TIF District**

To see if the Town will vote to establish a Northwood West Tax Increment Finance District with the following components:

1. A TIF district with a total area of approximately 302 acres, encompassing an area beginning just east of Main Street, north of the 1st NH Turnpike, west of the intersection of Kelsey Mill Road and the 1st NH Turnpike and south of the Eversource utility easement, pursuant to RSA 162-K:5. The boundaries of said TIF District are depicted in the map titled Northwood West TIF District, dated 10/13/2016 and on file with the Town of Northwood Town Clerk.
2. An Advisory Board for the TIF pursuant to RSA 162 – K:14, with members to be appointed and removed at the discretion of the Board of Selectmen.
3. A Development and Finance Plan pursuant to RSA 162 – K:6, K:9 and K:10, dated 12/28/2016 and on file with the Town of Northwood Town Clerk. **(No Tax Impact)**

### **Article 20: BOAT RAMP RECONSTRUCTION AT MARY WALDRON BEACH**

To see if the Town will vote to raise and appropriate the sum of sixty-one thousand dollars (\$61,000) to be used in the repair of the beach area, beach parking area and rebuild the boat ramp at the Mary Waldron Town Beach. **One time tax impact, if approved. (Tax impact: 0.13) (Petition warrant article)(Recommended by the Board of Selectmen 3/0) (Not Recommended by the Budget Committee 7/4)**

**Article 22: SCENIC ROAD DESIGNATION FOR RANGE ROAD** Shall the Town not consider designating Range Road as a scenic road with all of the protections as designated in RSA 231:158. **(No Tax impact) (Majority vote required) (Petition warrant article)**

---

## **Trustees of Trust Funds Northwood, NH**

The Trustees of Trust Funds consists of three elected individuals serving terms ranging from one to three years. Our responsibilities consist of monitoring and selecting investment vehicles for funds placed in trust for specific purposes. Those purposes may be designated by individual residents of the town or by town warrants voted on during annual town elections.

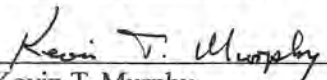

Current funds in trust fall into the following categories:

- Cemetery Common and Other Cemetery Funds – for the perpetual care of town cemeteries,
- Library Funds – for purchasing library materials for town residents,
- Expendable Trust Funds – for specific town improvements or maintenance as designated by town warrants,
- Miscellaneous Trust Funds – for specific purposes designated by individual town residents,
- Capital Reserve Funds – for town capital improvements as voted on during annual town elections, and
- School Capital Reserve Funds – for school purposes as voted on during annual town meetings.

Funds are invested in a number of investments in accordance with 'The Investment Policy and Guidelines for the Trustees of Trust Funds for the Town of Northwood, NH' and the statutes of the Charitable Trust Division, Office of Attorney General for the State of NH. Our investment policy limits investments to those investment vehicles that will preserve capital while providing income to adequately meet the demands of each specific trust's objectives. Other investment policies stipulated in the guidelines include choosing stable companies with high industry ratings, investment with an overall low risk rating, and maintaining diversification of fund assets.

The trustees meet as needed but at least quarterly to review investment earnings in relation with income needs of the trusts, invest and disburse funds in accordance with town warrants, and discuss other topics as necessary for the management of the trusts in accordance to each trust's stipulations. The annual report which follows summarizes the current activities for the various trusts entrusted to the Trustees of Trust Funds.

Respectfully submitted,

  
Kevin T. Murphy  
Chairman, Trustees of Trust Funds

Peter J. George  
Trustee

Lee Baldwin  
Trustee

## Town Clerk Report

---

---

Another strong year for the Town Clerk revenues. We had an increase of \$35,215.77 over the 2015 revenue. It also appears that the tax collections have been around 93%, up from 2015 of 92% collection rate.

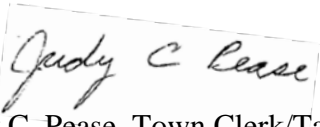

The very visible change to the office in 2016 was the resignation of Sharon Olsson, after almost 6 years as Deputy Town Clerk/Tax Collector. During the time period of her leaving and the hiring of our new deputy, Savannah Audet, the hours were cut back to just four days a week. I realize this caused some difficulties with town residents, but I am pleased to announce that we are back to being open 5 days a week and the last Saturday of the month, and things appear to be running smoothly. Savannah is working out really well and we are very pleased to have her in our department. As of February 1, 2017, there will be a significant change in that registrants will be using one check to pay for their registrations, rather than two as has been the practice. Once that step is implemented and everything is up and running, we will then go to credit cards! Yippee!!

This will be just for the town clerk transactions. But if everything works out well, we should be able to also accept tax payments shortly thereafter.

Now that the presidential election is over, we look forward to a rather quiet 2017. We continue to express our thanks for your support and patience.

### FOR FISCAL YEAR ENDING DECEMBER 31, 2016
